Handwritten initials

Mr. E. Loughran

Dear Eddie:

Detour signs are now being printed and we are expecting to have them at your office some time this afternoon.

Will you please have Mr. C. Kasper place the proper signs at the proper locations.

J. Gaynor

June 23, 1953

Mr. H. L. Howell

J. P. Gaynor

Will you please place detour sign stands at the following locations:

Logan and Elston - 1 - Southeast corner
1 - Northwest corner

Logan and Western- 1 - Southeast corner
1 - Southwest corner
1 - Northeast corner

Logan and Campbell- 1 - Southwest corner

Due to a Park District failure to notify us promptly this work is expected to start tomorrow morning. It will be necessary to place these signs, if possible, some time today.

Construction of sewer on Logan Boulevard is going to shut off the boulevard between the river and Diversey, to Campbell and Logan and we will have to detour Route 134 buses via Campbell and Diversey.

The printed detour signs for these stanchions will be placed by Mr. Loughran. All we are requesting from you is that the stands be placed in the proper locations.

J. E. Gaynor

Copy to Messrs. C. R. Potter
