

*Shell*

June 22, 1953.

Mr. J. Frugo

J. P. Gaynor

In the bulletin published by the Park District concerning service to the Grant Park Band Shell this summer, please note the last paragraph on the first page regarding service rendered by the C.T.A. in which they state that the buses will discharge their passengers in front of the entrance to the Administration Building. This is incorrect.

The service rendered to the band shell will stop at the regular terminal at the entrance to the Band Shell on East Roosevelt Road Drive.
