September 10, 1952

TO: Mr. Ralph Budd
FROM: H. L. Polland
SUBJECT: Motor Coach Rules

The Assistant General Superintendent of Transportation for the Chicago Motor Coach Company advises me that the Motor Coach does not have any set rules regarding the denomination of bills that Motor Coach operators are not required to change. They say their practice is to have the operators make every effort to change \$5.00 or \$10.00 bills, even to the extent of stopping another bus to obtain change.
