

C H I C A G O   T R A N S I T   A U T H O R I T Y  
OFFICE OF GENERAL SUPERINTENDENT OF TRANSPORTATION

March 12, 1953.

TO ALL BOULEVARD SYSTEM OPERATORS:

Our attention has been called to the fact that a number of operators are turning off their "Electrofares" Grant Fare Boxes several times during the trip.

This practice must be stopped immediately. Operators must not turn off their fare boxes except at the close of their day's work or unless they are defective.

*T. B. O'Connor*  
Gen'l Sup't of Transportation
