DECEMBER 1964 No. 655

ISSUED BY THE GLOBE TICKET COMPANY IN THE INTEREST  
OF THE TRANSIT INDUSTRY

Looking back, as we are inclined to do at this time of year, we see many hopeful signs for the future of our TRANSIT FIELD. We see it in new concepts, in many plans on the way and, particularly, in a new "up and at it" attitude that permeates many segments of the Industry.

All this bodes well for the coming year and those to follow.

So, as we look forward, there is much to be hopeful about, much to work on, much to strive for, and we want to add our good wishes at this HOLIDAY SEASON to the hopes and expectations of our friends in the Industry. "MAY YOUR HOPES BE REALIZED AND MAY THEY BRING YOU SUCCESS AND SATISFACTION!"

**MERRY CHRISTMAS!**

**HAPPY NEW YEAR!**
