# Service bulletin

TO: All Operating Employees

SUBJECT: Discontinuance Of Stops At Morse And Loyola On  
The Evanston Express Route

EFFECTIVE: December 20, 1976

To improve service on the North-South "L" - Subway Route (Howard Street to Downtown) and Evanston Express Route, Evanston Express Trains will not stop at Morse or Loyola Stations. Evanston Express Trains will operate non-stop in both directions between Howard Station and the Merchandise Mart. Signs have been posted in Rail Stations and on "L" Trains advising of a change in Evanston Express operation, however, operating personnel concerned must also make appropriate announcements to insure that passengers involved are made aware of these service changes.

*M. L. Valle*  
Director, Service

*J. R. Blair*  
Manager, Transportation
