TO: All Concerned, Rail

SUBJECT: Relocation of the 6 Car Southbound Berthing Markers,  
Howard Terminal, North-South Route

EFFECTIVE: Thursday, October 28, 1982 - 1000 Hours

Effective on the above date and time, the 6-car berthing marker on the southbound track #1 at Howard Terminal, North-South Route, will be relocated approximately 25 feet north of its present location.

It is the responsibility of motormen to ensure that their trains are berthed at the proper marker.
