

# Service Bulletin

TO: All Concerned, Rail

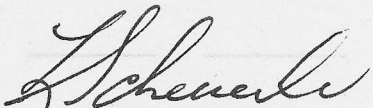

SUBJECT: Workers on Right-of-Way

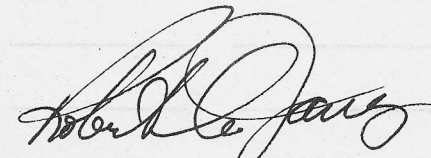

EFFECTIVE: Thursday, January 31, 1991

A fence has been erected to enclose the area between Roosevelt Road and 14th Street on the site of the former 13th Street Center Track. Contractor employees will be allowed to work within this enclosure during the hours of 0700 to 1630.

Between the hours of 0900 to 1500, under flagman protection, workmen will be permitted to work on the tracks and to hoist material onto the structure.

Flagmen will be assigned to protect this area in both directions. Motormen must operate through this area with caution.
