

SPECIAL CTA BUS SERVICE . . .

For the convenience of Loop-bound Bears' fans, special 151 Sheridan Local buses will depart eastbound from Addison and Clark Streets after the games on October 12 and October 26 at about 3:15 P.M., 3:30 P.M., 3:45 P.M. and 4:00 P.M. These buses destined to Adams and State Streets in downtown Chicago will make all scheduled stops along the route.

The service on these two Sundays will be experimental to determine if the demand is great enough to warrant continuing the service after all home games for the duration of the season.
