

Ride CTA

Save Your Pep to Cheer the Wildcats

For Northwestern U. home games, CTA operates "Wildcat Specials" on the Evanston rapid transit route directly to Central station, conveniently located near Dyche Stadium. The specials supplement the regular Evanston service which makes all stops along the route.

Before the games, "Wildcat Specials" leave Howard station between Noon and 1:30 P.M. and run non-stop to Central station.

To reach Howard station, board any northbound North-South train. Transfers to the North-South route may be made from other rapid transit routes and intersecting CTA bus routes. Direct connections are made at Howard with Skokie Swift trains.

After the games, "Wildcat Specials" leave Central station between 3:40 P.M. and 4:30 P.M. for a non-stop trip to Howard station.

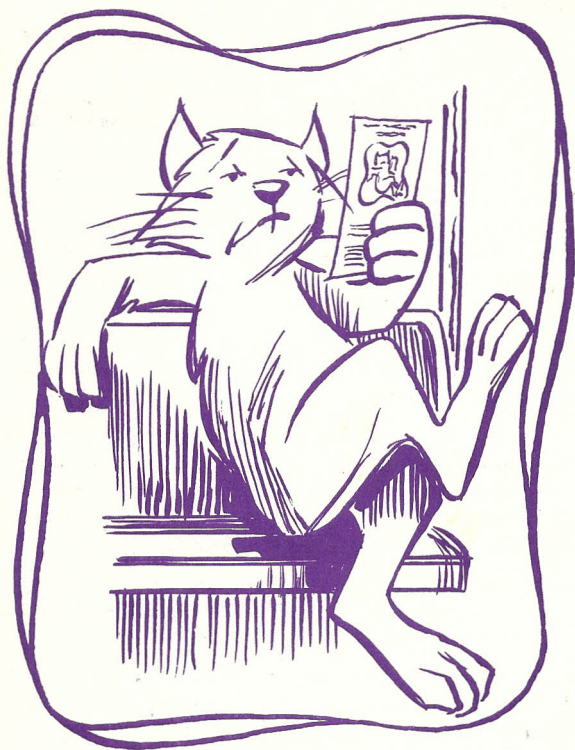

If you must drive part way, leave your car at one of CTA's parking lots where there's ample capacity and ride the rapid transit to Dyche Stadium.
