Welcomes Son to Pensioners' Ranks

WHEN WEST Section Motorman Clarence (Butch) Brieger retired March 1 after 42 years of service, many of his CTA friends, both active and retired, showed up to wish him well--including his father, William A. Brieger, pictured at right, below. Also a retired West Section Trainman, the senior Mr. Brieger retired in September, 1950, after 47 years' service with the Met, CRT, and CTA.

1969 CTA Group Tour Announced

THE ITINERARY of the 1969 tour for CTA employes includes stops in Spain, Portugal, and Morocco. Date of departure will be September 13 or 14. For further information write: Miss Jane Mitchell, CTA Room 734, Merchandise Mart, Chicago, Illinois 60654.

Marine First Aid Training Practiced by Motorman

"I DIDN'T think about it, I just did it," were the words used by Motorman Thomas Patterson, West Section, when asked what prompted him to give mouth to mouth resuscitation to a passenger who suffered a heart attack on his train. Tom, a CTA employe since November, 1967, learned first aid while in the marines. He also stated that if a similar incident should recur his reaction would probably be the same.

Four Complete Apprenticeships

COMPLETING A four-year apprenticeship in accordance with U.S. Department of Labor standards were the four employes pictured here with supervisory personnel. Shown above receiving his certificate from W. J. Klempier, supervisor of building and maintenance, is J. O'Connor (center) who completed his carpenter apprenticeship. Looking on, from left, are L. Felckowski, construction carpenter foreman, L. Anderson, general foreman of carpentry, and W. C. Hallford, assistant supervisor of building maintenance. In the picture below, E. R. Hendrickson (left), superintendent of Rapid Transit Shops and Terminals, is presenting certificates to G. Wilson, R. Piantkowski, and W. Eberhart who completed the electrical workers apprenticeship at Skokie Shops.

Report Cards Show Pension Plan Credit

RETIREMENT PLAN report cards showing each employe's credit in the Plan as of December 31, 1968, will be distributed system-wide between April 2 and 10, according to W. A. Ashley, Plan secretary.

The cards may be used to estimate retirement benefits and total credit with the Plan as of the last payday of 1968, as was done in the facsimile above. Employes are advised to retain the cards for ready reference.

Mr. Ashley also announced that during 1968 approval was given by the Retirement Committee to 439 pension applications of CTA employes. Of that total, 175 applicants had reached the normal retirement age of 65 years, 196 were early retirements in the age group under 65, and 68 were disability retirements.

Contributions to the Retirement Plan during 1968 totaled \$14,424,548--contributions by employes were \$5,152,440, and CTA contributions amounted to \$9,272,108. Approved during the year were disbursements totaling \$10,893,200 covering payments to retired employes, refunds to employes who terminated their services and to deceased employes' beneficiaries, and expenses of administration.

During 1968 assets of the fund increased \$6,479,-324, making a total of \$59,665,773 as of December 31 held by the Continental Illinois Bank and Trust company, trustee for the Plan.

Of these funds held by the trustee, \$59,135,091 are invested in U.S. government securities, Farm Home Administration loans, corporate bonds and notes, common stock, and CTA revenue bonds.

As a result of the arbitration award handed down November 2, 1968, the Retirement Plan was revised effective January 1, 1968.

A revision affecting employes who retired after January 1, 1968, is the change in the benefit formula which increased the future service formula under Section 8 of the Plan from $1\frac{1}{2}\%$ to $1\frac{2}{3}\%$.

Another change provides an unreduced pension for an employe who, on the effective date of retirement is 62 years of age or older and the sum of his age and years of service equal 92, or if the sum of his age and years of service equal 98, regardless of age.

Another change provided an increase in the monthly retirement benefit of those employes who retired on or before January 1, 1968. The monthly retirement allowance benefit for these employes was increased \$20 per month.

The retroactive payment to cover the increase was made in two payments, the first of which was to all retired employes who retired January 1, 1968, or before. This payment totaled \$1,114,740 and was made on November 30, 1968.

The second payment, for those employes who retired after January, 1968, was processed after the retirement benefits were recomputed under the new formula and the retroactive payment was made on December 31, 1968, in the amount of \$46,200.

A change which affects the amount of retirement benefits was made, providing that the minimum normal retirement allowance benefit for an employe who had 20 years of service and attained the age of 65 would be \$150 and the minimum retirement allowance benefit for an employe who qualified under the disability allowance provision of the Plan will be no less than \$150.

Suggestion Plan Launches Another Big Year

- \$705 in Cash Awards
- 28 Jewel \$7 Gift Certificates
- New Zippo Lighter/Tape Rule Award

IN JUST two months time, between January 1 and February 28, CTA suggesters earned cash awards totaling \$705 and received 28 Jewel-Osco \$7 gift certificates for their adopted suggestions.

Six of the cash award winners, who won \$25 each as Honorable Mention awards for their second adoptable ideas within a year, included: General Office—Regina Daren, Medical Department; Joanne M. Fenn, Insurance Department; Sidney L. Jacobson, Office Services, and Gerry McManamon, Employe Relations Department. Transportation—Myrtle Apitz, North Section. Shops & Equipment—William P. Rafferty, South Shops. Each winner of a second Honorable Mention also received a gift certificate.

Among the other cash award winners was a Shops & Equipment Department employe at South Shops, Ben Pabisinski, who won 2 cash awards (\$60 and \$25) and 2 gift certificates in 2 days. For their suggestions, two other men from South Shops also shared in the cash awards and gift certificates, Juozas M. Bagdzius who won \$25 and Adolph C. Gemmet who won \$60. From the General Office, another cash award winner was Robert D. Heinlein who received \$350 and a gift certificate.

As a supplemental award for his suggestion adopted a year ago, John R. Kalinowski, S&E-South Shops, was awarded \$35.

HONORED RECENTLY by the National Association of Suggestion Systems were CTA's two "Best Suggesters," Regina Daren, Medical Department, and James Forrestal, South Shops, who are holding citations which were presented by Fred Guerin, NASS director. CTA supervisory personnel looking on include E. Nelson (left), general foreman, Shops and Equipment Department, and Dr.S.D.Mosny, medical director.

Named as winners of Honorable Mention awards because they submitted their first adoptable suggestions, making them eligible to receive gift certificates are: Transportation--Elijah N. Coleman, Archer; Carl W. Hansen, North Park; Willie Hill, Loomis; George J. Jaros, 69th Street; Harry W. Rons, 69th Street; Clara Sala, West Section, and J. G. Steinbach, Lawndale. Shops & Equipment--Charles Gerard, South Shops; Howard P. Goerner, South Shops; Larry Jareckas, South Shops; Charles R. O'Malley, Kedzie Garage, and Leonard Tucek, South Shops. Engineering--Edward D. Gertz, South Shops; William A. Mulwee, 63rd & Calumet, and Edgar Shaw, West Shops. General Office--Joanne M. Fenn, Insurance, and Walter J. Thomas, Schedule-Traffic.

Starting April 1, for every adopted suggestion, employes will have a choice of awards. They can choose the \$7 gift certificate, which may be used as payment on any purchase in a Jewel, Osco, or Turnstyle store. Or they may choose the new award—a beautiful combination package containing a Zippo lighter and tape rule. You make the choice when you turn in the stub for your suggestion, after its adoption is announced on the special bulletin board. In addition to these awards, employes who submit a second Honorable Mention (or small savings) award which is adopted with a one-year period are entitled to a minimum cash award of \$25. Higher cash award are presented in accordance with greater savings to the Authority—up to a maximum award of \$10,000.

CHICAGO TRANSIT AUTHORITY

MERCHANDISE MART PLAZA . P. O. BOX 3555, CHICAGO, ILLINOIS 60654 . MOhawk 4-7200

THOMAS B. O'CONNOR GENERAL MANAGER

GEORGE L. DOMENT CHAIRMAN

TO ALL EMPLOYES:

Each year, Chicago Transit Authority launches a month-long campaign to emphasize the benefits of purchasing U.S. Savings Bonds through the payroll savings plan. We are pleased to announce that during the month of April all employes of the Authority will be contacted by a fellow worker and given the opportunity of beginning a savings program or adding to an established plan.

Again this year, E Bond purchasers will have the opportunity to buy Freedom Shares which provide even greater returns on their investments. Freedom Shares have a shorter maturity period, $4\frac{1}{2}$ years, and bear a higher interest rate, 5%. They can be purchased only in combination with regular E Bonds on approximately a one-for-one basis. Although E Bonds can still be purchased separately, the maximum benefit comes from the combination purchase -- it's like an added bonus.

We urge you to join the Payroll Savings Plan if you are not signed up now, to buy Freedom Shares if you are now purchasing E Bonds, and to take advantage of this easy-to-save method by increasing your allotment for the purchase

For many years, CTA was one of a select group of about 90 large companies in the United States who had more than 50% participation in payroll savings plans. We regret that in 1968, our participation slipped to just under the 50% mark -- 48.9% and we lost this great honor. We hope that in 1969 we can regain our place with a higher than ever degree of participation. In no other way can we so greatly benefit our country and at the same time, ourselves.

Because of the greater interest rates and tax advantages, Savings Bonds and Freedom Shares are now an even more attractive way to finance college educations for your children, to save for a home or new car, or to establish a retirement program for yourself. If you are interested in learning how to save for such purposes, ask the fellow employe who contacts you to explain the plan.

We urge you to consider carefully this opportunity and to sign up now for the Payroll Savings Plan. E Bonds and Freedom Shares mean security not only for you, but for our country, too. And remember, you can increase your participation at any time of the year by contacting your department head. You needn't wait for the bond drive month to take advantage of the plan.

Mary Clarke Retires After 45 Years in Training Field

WITH THE retirement of Mary E. Clarke, Transit News lost one of its greatest supporters—its No. 1 reporter. Miss Clarke retired April 1 as statistical section supervisor of CTA's Training and Accident Prevention Department.

On March 27, Miss Clarke was feted at a dinner in her honor which was attended by more than 200 of her friends and co-workers. She is shown above receiving a retirement portfolio and best wishes from Operating Manager Charles E. Keiser.

Miss Clarke began working for the Chicago Rapid Transit company on June 4, 1923, as a clerk in the office of the safety engineer. That department's responsibility related chiefly to the instruction and retraining of motorman and conductors. The job necessitated the dedication to duty and deep personal involvement which she exhibited by remaining in that

line of work throughout her 45 years' service. But, in addition to that, Miss Clarke was always an employe who could be depended upon to lend a helping hand when unusual conditions so demanded it. She served as a nurse on the rapid transit hospital car at the Mundelein Eucharistic Congress in 1926, prepared coffee for workers shoveling snow off "L" platforms, and distributed those life-saving funds to needy employes during the depression.

Following the takeover of the rapid transit and streetcar companies by CTA in 1947, the instruction of employes was consolidated in a single Training and Accident Prevention Department. In the newly-formed department, Miss Clarke served first as administrative assistant to its superintendent, and in August, 1961, became statistical section supervisor, the position which she held at the time of her retirement.

The success of that department has been demonstrated by the declining accident frequency rate experienced by CTA. In her job, Miss Clarke waged war on accidents not from behind a driving wheel, but from behind her desk, where she was armed with graphs and statistics which permitted her to make recommendations for more intensive training and reducing accident hazards.

In addition to her regular duties, Miss Clarke has been the Transit News scribe for the General Office since December, 1948, and has served longer than any other reporter.

Miss Clarke, who resides at 317 S. Oak Park aveenue in west suburban Oak Park, has made no definite plans for her retirement.

ON BEHALF of their men, the superintendents of five operating stations accepted awards citing their stations for safety achievements during 1968. Each of the stations beat its own record by having fewer accidents than in its previous safest year. The presentation of award plaques to superintendents was made by Operating Manager Charles E. Keiser at the March 7 meeting of day superintendents, when Mr. Keiser also announced that coffee and rolls would be served to personnel at each of the five stations. Holding plaques are, from left: J. A. Knerr, 77th Street; R. W. Meisner, 61st Street; G. T. May, Limits; Mr. Keiser; M. F. Harrington, Archer, and H. P. Braun, Lawndale.

New CTA Advisory Committee Named

THE MEMBERSHIP of a new Citizens' Customer Relations committee to advise CTA on matters of improving service and pleasing customers was recently announced by George L. DeMent, chairman of Chicago Transit Board.

Warren A. Logelin, vice president of AMSTED Industries, has accepted chairmanship of the committee.

Members of the committee include, from left-seated: Mrs. Connie Seals, community relations, The Urban League; James O'Connor, public relations, Commonwealth Edison company; Mr. DeMent, Mr. Logelin; Roy Bradstrum Jr., Chicago area public relations manager, Illinois Bell Telephone company;

Peter Benton, regional public relations director, John Hancock Mutual Life Insurance; standing: Frank Faraone, regional public relations director, General Motors corporation; Thomas C. Sullivan, manager regional public relations, General Electric company; Norman Ross, vice president, First National Bank of Chicago; Irwin Klass, public relations, Chicago Federation of Labor and Industrial union council AFLCIO; James M. Patterson, director of public relations, American Oil company; Hale Nelson, consultant; William H. Newby, director of community relations, Jewel companies, Inc. Missing from photo: Ed Marciniak, planning department, City of Chicago, and Rembrandt C. Hiller Jr., midwest public relations director, Sears, Roebuck and company.

16 Named in New Shops Department Promotions

IN BULLETINS issued recently by Superintendent of Garages J. W. Dain, 16 Shops and Equipment Department employes were promoted to new positions at surface system garages. The appointments were approved by J. J. Repplinger, superintendent of surface system shops and garages, and L. G. Anderson, superintendent of Shops and Equipment.

Effective March 2, Tim Riordan was appointed supervisor of garages at Forest Glen, Limits, and North Park.

Named in appointments effective February 1 were Wilburt A. Jarchow as day foreman at Beverly Garage, Joseph Ritrovato as day foreman at Lawndale Garage, Joseph M. Fiorita as day foreman at North Avenue Garage, Terrence J. McGuigan as p.m. foreman at 52nd Street Garage, James R. Pankonen as p.m. foreman at Kedzie Garage, Thomas S. Gecan as

p.m. foreman at North Avenue Garage, Leonard J. Bottando as relief foreman at Archer Garage, Terrence P. Reilly as relief foreman at Lawndale Garage, Lee A. Harper as relief foreman at Kedzie Garage, and Fred Schmidt as night foreman at Lawndale Garage. Mr. Schmidt was subsequently transferred March 2 to the position of night foreman at Keeler Garage.

In an appointment which became effective February 23, Donald W. Berge was named relief foreman at 69th Street Garage.

Assuming their new assignments on March 2 were Bruno J. Feret as day foreman at 77th Street Garage, Harold R. McGann as night foreman at Lawndale Garage, William J. Lambert as day assistant foreman at 69th Street Garage, and William J. Joseph as p.m. foreman at 77th Street Garage.

MEDICALLY SPEAKING

By Dr. George H. Irwin,

USE AND ABUSE OF DRUGS

THE SUBJECT of drugs in the field of medicine is so extensive that it would be impossible to discuss it in great detail here. Therefore, I will confine my discussion to some of the more common aspects of the use and abuse of certain drugs. Moreover, research has developed so many new drugs that it is difficult to keep abreast of newly-marketed products.

Drugs can benefit all mankind when used as intended. When abused they can be very harmful. Millions of dollars are spent annually for drugs. Both the layman and the physician should consider the benefit and also the harm which may result from the use of drugs before a decision is made to use them.

Substances with abuse potentials range from simple kitchen spices and common flowers to highly researched and developed sophisticated drugs. A few of the common and popular categories or classifications of drugs are: (1) antibiotics, (2) narcotics, (3) tranquilizers, (4) sedatives, (5) stimulants, (6) hallucinogens, and (7) steroids or cortisone.

- (1) Penicillin and its derivatives are antibiotics most commonly used to combat and cure infections such as pneumonia, peritonitis, etc. As we all know, they have saved many lives when properly used. However, they do not help illnesses due to virus infections. Moreover, if used improperly, they can be frequently harmful and occasionally fatal. Some of the untoward effects of antibiotics are headaches, skin rashes, diarrhea, and destructive processes in the blood which lower the natural body resistance.
- (2) Narcotics, medically defined, are drugs which produce insensibility or stupor due to their depressant effect on the central nervous system. Included in this group are opium derivatives such as morphine, codeine, heroin, and cocaine. The latter drug, cocaine, is a stimulant, not a depressant, but for law-enforcement purposes it is considered a narotic. All of these narcotic drugs are essential to the ethical practice of medicine. However, to the abuser, these same medically useful drugs affect the nervous system producing abnormal emotional responses and reactions. After repeated use, one becomes an addict and feels he cannot live without them.
- (3) Tranquilizers are drugs used to counteract tension and anxiety without significantly impairing mental and physical function. They are commonly used in psychoses, insomnia, nervous tension, cere-

CTA Medical Consultant

bral palsy, Parkinson's disease, epilepsy, headaches, backaches, alcoholism, spastic colitis, high blood pressure, menopause, etc. Some of the unfavorable reactions are drowsiness, slowing of mental reactions, dizziness, skin rashes, liver damage, and changes in the elements of the blood. They are sometimes blamed for traffic accidents. However, when used as ordered by your physician, the results are gratifying and successful.

- (4) Sedatives are used primarily to induce sleep. The barbiturates are the basic and active principles in this group of drugs. They are useful for a short-term, but when used for a long time they can become very harmful.
- (5) Stimulants are the drugs which stimulate the central nervous system. Among the most widely known is caffeine, an ingredient of coffee, tea, cola, and other beverages. Cocaine is one of the stimulant drugs and others include amphetamines. These so-called 'pep pills" are used to reduce appetite in obesity and relieve mild depression such as occurs in menopause, grief, and senility. Everyone wants additional energy nowadays, so they look to this group of drugs to get it.
- (6) The hallucinogen drugs cause distortions of perception, dream images, and hallucinations. A few of the more common ones are LSD, DMT, and marijuana. This group of drugs, abused by the "Hippies" and others, are not prescribed by ethical physicians.
- (7) The steroids are a very popular and recently developed group of drugs. Cortisone belongs to this group, and was at one time called the "miracle drug" for the cure of arthritis. We know now that this is not true. However, when used judiciously, cortisone can produce some marvelous results. Some of the harmful effects are water retention in the tissue of the body, formation of ulcers in the stomach and bowels, and also detrimental changes in the composition of the blood.

This article is not intended to condemn all the drugs under consideration. Its main purpose is to alert people to the fact that results can be both good and bad. Remember, the same drug may react differently in different people. Finally, let me urge you to see your family doctor if you feel the need of any drugs. Don't depend upon the advice of your neighbor and buy drugs which are sold over the counter.

QUESTION: What special projects will you undertake this spring?

Terminal Inspection Shops

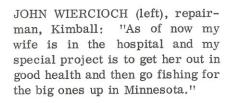

MATHEW BUCHANAN, car serviceman, Wilson (with reporter Ray Brzeczek): "To do some work around and in the house and make my flower garden more beautiful will be my special project this year."

JOHN KOGER (left), repairman, Forest Park: "My special project this year is the same one that happens every third year—house painting. I have five rooms to paint, plus cleaning out the basement. The thing that makes this project so special is that I'm not much of a painter, therefore I really have to concentrate on getting the job done."

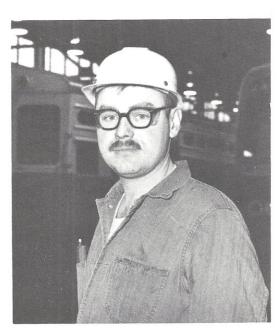

YOUNG PATE Jr. (right), repairman, 61st Street: "To take my wife and two children on a tour of Canada and New York while on vacation this spring is my special project. I shall also take a little time to pursue my favorite hobbies, bowling and swimming."

DAVID WITTENBERG (right), repairman, Congress: "Keeping with the springtime tradition of home beautification, painting the house--inside and out--will be my first project. I believe I will put up some bright new wall paper. The color, perhaps a soft red rose. Being sports minded, I think I'll also build a gun cabinet for the sporting arms I have."

We all miss you, Helen, and hope to see you soon...SANDRA CLAUSEN, stenographer, Real Estate, announced her engagement to RON PFEIFFER, "A" electrician in the Insurance Exchange building, on February 3. A wedding date has been set for November 1, 1969. Sandy is the daughter of MELVIN CLAUSEN, state-

mentman, Claim Department. Congratulations and best wishes to Ron and Sandy...GEORGE MACAK is happy with the new Pontiac Catalina he purchased...HERMAN JAMES returned to work after serving jury duty for two weeks. He served on a very interesting case that appeared in all the newspapers...JOSEPHINE FELDMANN at this writing is doing her civic duty by serving jury duty.

(West Shops) -

A bit of heroism was displayed recently when WAYNE HANSEN, assistant to JIM LeMOND in the Plant Equipment Maintenance Department, saved a man from being severely injured. JOE CHRISTOI, West Shops' favorite electrician, had an accident in the boiler room and suffered torn ankle ligaments in the process. He might have received more than that if Wayne Hansen hadn't come to his aid. There were a few moments of tension while waiting for the ambulance, and panic was felt by more than a few. However, after a few days in the hospital, Joe is at home in his wife's tender care. Joe is also the secretary of the CTA Credit Union and a darn good one. While at home waiting for that ankle to heal, he had practically the whole credit union office shipped to him...I thought with things as they are today there wasn't any close family ties anymore. But, we saw an example of just that when we were surprised with a visit from TOM WOLGEMUTH's wife and son recently. Tom is superintendent of structures and it looks like his son, CRAIG, is a chip off the old block. It was said that he was quite entranced with his daddy's blueprints...WEST SHOPS FLASH: What employe in the Building Division has the snazziest reversible vest you've ever seen?..Congratulations to GINNY SCOTT on her blank, blank birthday. The blanks stand for her age, nothing derogatory. She brought a beautiful cake to the office. Ginny said she had a lovely dinner and received many beautiful gifts from her family and friends...Another note about Tom Wolgemuth. The men who work under his supervision have much to admire and appreciate. Tom, your yearly letter to your men was the most well written and most thoughtful gesture I have seen displayed since being with the Engineering Department.

FOREST GLEN -

Hi men. Now that we have picked our vacations I hope each man was able to get what he wanted. Anyway, you can start planning for your well-earned rest, and remember to send me the full details of any trips, fishing, etc ... On our retirement list this month is our friend CARL LILJEHORN who left us on March 28. This fine gentleman has retired to Mountain, Wisconsin. Carl said that after he and the wife are set up in their new home, we are all invited to drop in anytime. Good luck, Carl, and let us hear from you now and then...Supervisor E. WULSKI just returned from the sick list and at present is on the terminal board. He is planning to leave about May or June. Seems like we are losing all our good men...TOM and JOYCE CHESTERS became the proud parents of a baby boy on February 4 who was named BRIAN JOSEPH. Sorry to say that this happy event was marred by the death of Tom's father-in-law on February 3... The army is getting two of our finest young men who I am sure will see that this so-called war will end fast. Operator and Mrs. CHRIST PANTOS bid farewell to their son, STEVE, on February 13. Steve said that when the enemy sees his muscles it will be the end of the war. Operator NICK CONSTANTINO's son, NICK Jr., entered the

service on February 20. He decided to get his time in now so that he would still have a lot of young life left to enjoythe good life that can be found in Niles, Illinois. I am sure that each and all wish these boys the best and a quick return...Let's drop a happy birthday note to ROCKY MAL-FESE who was 49 on March 1. Did we say 49? Oh well, Rocky can still dream, at least it makes him happy...WAL-TER BLIX was seen wearing socks full of hearts on Valentine's day. Now we would all like to know about his shorts. Well, Blix, can we get an answer?..TIGNAC is next on our list. LOU and his lovely wife are known as the traveling Tignacs of Forest Glen. This year, in fact this month, they will be taking a three-week cruise in the Carribean and I am sure we will all see some more of those beautiful shirts as only Lou wears. Have fun and enjoy yourselves, folks, and come back with some good stories and nice pictures which we all would enjoy seeing ... ROBERT EVARTS finally became a grandfather on January 20. No wonder the old boy has slowed down on the street. The baby is doing fine, but the grandparents, PEARL and BOB, seem to have added an extra year to their lives. Bob says he will have to get use to being called grandpa. The baby's name is CHRISTINE RUTH EVARTS, and the parents are ever so happy. More to follow, they state...JOE LABIACANGA recently returned from a trip to Honolulu. As I understand it, he went over to purchase more land. Now, Joe, the Pantos and the Henrys would like to know if that beautiful lady was with you on the trip? After all, you need someone to share the rest of your life with and I do believe that she could fill the bill...FRANK CARPINO and his lovely wife just returned from Miami, Florida, where they visited with E. MUCHA and C. KERR, both retired CTA employes of Forest Glen. Frank came back very tanned and started selling early retirement plans to the boys. I suppose he is looking forward to another trip if business is good...WILLIAM BARRON was also in Miami, Florida. Maybe he and his Mrs. were trying to catch up with the Carpinos and get some of that early retirement money...Operator WAYNE GRIFFIN is hospitalized and would like to hear from his many friends and co-workers. Get well wishes are sent to JOE NOLAN, treasurer of Lawndale credit union, and AL RAHN, sanitation engineer of Forest Glen...Pensioner LEE BORGSTROM passed away this month. Condolences to his family...A retirement dinner was given for RAY GRAY and A. LAUTER and was attended by 136 people. Speakers in-

A PROUD CTA family recently gathered to show off the newest addition, KRISTEN ANN GILL. Pictured left to right are: PAT GILL Jr., PAT GILL Sr., paint foreman, West Shops, JOHN GRITIS, supervising reproduction technician, Reproduction Services, and PATRICIA GILL. Patricia and Pat Jr. are former part-time ticket agents, West Section.

DAVID MIEDEMA, the son of North Avenue Operator and Transit News Reporter WILLIAM MIEDEMA, beams proudly while holding his dad's new hunting partner, Lucky.

cluded ATU International Financial Secretary JAMES HILL, retired Division 241 Financial Secretary AUGIE JOHNSON, JOE NOLAN, Lawndale credit union treasurer, JOHN O'BRIEN, HERB SCHOMER, General Office credit union treasurer, MIKE KOMPANOWSKI, GEORGE WICKMAN, and WALTER MIELA. ROMAN KAPLAN won the door prize, a beautiful wrist watch, and POOPSY NELSON won the booby prize. GEORGE STRESKE was featured in an hour long color movie of the last two parties, produced by JOE MOL-LO. Poopsy Nelson played the role of the "Kissing Bandit", starring George Wickman. JOHN KURINCE as I understand will take up the Polish language for future affairs. The music was provided by our fine friend "Chappie" CHAP-LEWSKI and his left handed buddy, PAUL WINKOWSKI. Singers were Operator SPENCER, one of our most outstanding men-in fact, I'd like to state, Spencer, that you and your family are welcome at yours truly's home anytime for you have made a wonderful step for your people, if only others could follow. Always be as you are. HANK ZIOLOWSKI, Operator UTLEY, along with HANK SCHOF-FEN, bass, were all outstanding...VAL CHURCH celebrated his tenth wedding anniversary on May 23. The best to you both and may you have many, many more ... ERNEST GEY-DEL says hello from Florida. He said the weather was fine but the fishing was poor. He visited GEORGE KREHL and his wife, and had a very pleasant time and is looking forward to the return trip...Last, but not least, here's a young man to watch for this summer, MARTY BARSKI, who will be playing second base for the Detroit Tigers. So, let's all stand behind this young fellow, no matter what team you are for, whenever Detroit is playing here for I am sure we have a future star. Good luck, Marty...Anyone I left out or forgot, please forgive me...TOM MEAGHRE, the best to you and your family...CLIFF LAST stole an outboard motor from yours truly.

GENERAL OFFICE -

When the March issue comes off the press, this reporter will have joined the ranks of the CTA pensioners. Therefore, I wish to take this opportunity to say that it has been a pleasure writing for the "Inside News" and being associated with the Transit News staff and my fellow reporters. Our annual get-together dinners have been fun; the exchange of ideas interesting; and the complimentary letters from our pensioners over the years, have been most gratifying. The pensioners are the real fans of Transit News. Many have written how they eagerly await the arrival of their copy each month and how much they enjoy hearing

news of their former co-workers and other pensioners, as well as the latest activities and progress at CTA. Therefore, my fellow reporters, keep up the good work and the best of luck to you all.

- Mary E. Clarke

KEDZIE -

Congratulations to JOSEPH FIORITO on his promotion to foreman at North Avenue Repair Department. You will be missed at Kedzie, and all the men send their best to you. A surprise farewell party was given for Joe, and he was at a loss for words to express his thanks to all who attended ... Operator R. LEGGS is the proud owner of a new '69 Buick. It's a sharp looking car. Mrs. Leggs says it rides beautiful. Happy motoring...Operator G. DiMEO had a little gettogether at the Bohemia Village restaurant, and the honored guest was Retired Operator DAVE CLARK. He looks good and says hello to everyone at Kedzie...Congratulations to Operator and Board Member WILLIAM LARSEN and his lovely wife, JOSEPHINE, who became grandparents when their daughter and son-in-law, Mr. and Mrs. R. MAHONEY, gave birth to a 7 pound 7 ounce baby girl, REGINA, January 27 at Georgetown hospital in Washington, D.C. The Mahoneys reside in Alexandria, Virginia... MARY BRISON, the daughter of Operator J. W. RICHARDSON, was hospitalized at Walther Memorial hospital. Richardson spent his vacation baby-sitting for his twin grandsons and running to the hospital. His daughter is now home and recuperating nicely. Mr. and Mrs. Richardson also celebrated their 37th wedding anniversary on March 3. Congratulations to you both and may you enjoy many more years of happiness ... Congratulations to Supervisor WALTER STONE and his lovely wife, BETTYANN, on the birth of a baby boy, THO-MAS WILLIAM, born March 1 weighing 8 pounds 4 ounces at Little Company of Mary hospital. The Stones have now evened the score-two boys and two girls...Congratulations to Operator R. BROWN who took his pension March 1. He plans to travel west to California to visit with relatives and friends. In the spring he will be in Wisconsin to complete his home and then will be know as "Farmer Brown." Good luck to you and your family on your retirement...Our deepest sympathy to Operator JOHN LOCACUIS on the loss of his daughter. ROSEMARY AUGUSTYNIAK, after a long illness. She was laid to rest on March 4.

- Raymond Graham

KEELER -

A cheery spring greeting to all you nice people...The big news for this month is some much appreciated help for your old scribe...Starting with the April issue your Keeler co-reporter will be Operator ANTHONY BERRY...To prove life can be beautiful, recent retiree RAY WISHNER dropped in to say "hi" to his old buddies. Ray couldn't visit too long because his new Lincoln Continental was using two parking spaces. He took time, however, to leave his address in case any of the fellows happened to be around Pampano Beach, Florida. The address is 2351 29th Street Northeast...Another happy retiree is the former supervisor of the North Side garages, MIKE CUNNINGHAM, for the big blow out in his honor, February 28, was quite some blast...So you lose one and you gain one. We welcomed to Keeler new Garage Foreman GUS PAVELKA, formerly of 69th Street...

Things should really start to hum in the garage, what with a new foreman and my buddy, Mechanic JIMMY SYLVES-TER, back from the sick bay and new blood being added by Apprentice Mechanic JOE WIELANDER ... Sincere get well wishes to all the fellows in the sick book. A special get well posy is tendered to MARIE, the wife of Operator KU-GELBERG, who is hospitalized at Resurrection hospital. Hurry up and get well, Marie, because "Kugie" would look mighty peculiar skinny...The birthday bells are really hot this month. Operator GEORGE HUBBARD started the bells pealing March 1, then Operator EDGAR POSEY pulled the rope March 4, and along came Operator L. SMITH, March 6 to give a tug. Garage Serviceman CHARLES CARNES owned up to another year March 10... Operator R. DORSCH really swung out for his two daughters, DARLENE and CHERYL. The dates were March 9 and 19...Boy, these guys are really cheap. Mechanic CHARLES BOWMAN cut down expenses by having one celebration this month. His daughter, LOIS', birthdate was March 2, and MARY LOU hit sweet 16, March 15... Mechanic DICK HARTMAN almost goofed. His daughters birthday was in February...Operator JOE VALTIERRA was real nervous, for he gave me the needle to be sure and remember his daughter CAROL's fourth birthday, March 12. In December, yet! No kidding, he also jumped the gun on his and Rachel's fifth anniversary, April 25...Mechanic KEN SANDRIK birthdayed March 26...Operator R. FIELDS' son, KENNETH CHARLES, really gave mom, MARY, a nifty birthday gift February 23. He decided to be born that day...Winding up the birthday sweepstakes is Operator F. POLK, March 30... Speaking of sweepstakes brings to mind the fellow who figured out a foolproof system and he couldn't lose. The only trouble was, by the time he figured out what horse to bet on, the race was over.

LAWNDALE -

Mr. and Mrs. MILES J. PINDAK became grandparents for the 13th time on February 10. Lucky 13 was a darling baby girl named TERESE MARIE...We had the occasion last month to have some of our pictures taken for the "Inquiring Reporter" page in Transit News, and I wish to thank Bus Placer JOHN WOJNICKI for obtaining a bus for our

ENDING A transit career of over 40 years which began in Arizona with the Tucson Rapid Transit company was Operator ELMER KNUDSON, North Park, who retired on March 1. When this photo was taken in 1925, he was working for 42 cents an hour, and had no days off, vacations, or fallbacks. Elmer retired after 39 years of service with CTA and CSL.

background...We won the 1968 fourth quarter ISC award, and the plaque was presented to us on Thursday, February 27, by D. M. FLYNN, superintendent of transportation. We had the red carpet put out for us with coffee and rolls all day, an artist sketching pictures of the men, movies, and 15 men went home with gift certificates. We are very proud. In fact, proud enough to try for a repeat. How about that?.. Our deepest sympathy to the families of B. JOHNSON in the loss of his son, waked February 6, and CHARLES VANCU-RA whose funeral was February 2, VINCENT (Breezy) BREZINSKI who was buried Monday, February 24, JOHN J. KEATING whose funeral was February 17, JAMES C. TAL-ENT whose funeral was February 7, and Mrs. EUNICE JONES, whose funeral was February 22. She was the sister of Operator GROVER SMITH...Two of our men from the repair department took their pensions February 1, Day Foreman LARS PEARSON and Bus Repairman JOHN LUDTKE. Many happy days of retirement, fellas! Come and see us...Pensioner JIM GOODE was in to see us and is looking in great health and spirits, and was dressed like a "Dapper Dan." He sure looked like a movie star...Mrs. GEORGE MILLER is in the hospital and I hope by this writing she has improved...Janitor ED KAWCZYNSKI had a week's vacation recently and supposedly sent a letter to Chief Clerk MIKE CUSACK from Hawaii. How are the hula dancers, Eddie?.. Two of our best men are seen sprouting wings these days. "Honest" JOE LaSCALZA, is selling cemetary lots, and "Wild Bill" LISIECKI is selling bibles. What next?..See you later.

- Larry Keating

LOGAN, LAKE & DOUGLAS (Agents) -

Agent ROBERT KLACZYNSKI is back to work after having the flu...Agent MINNIE DIKEMAN is on the sick list at this writing. She has a fractured finger, having caught it in a door. Minnie also celebrated her birthday on St. Patrick's day...Agent ARLENE SWANSON has been taking advantage of the fine weather. She has been visiting her son, JIM, and his wife, HELEN, who live in Fox Lake. We met former Agent BEULAH FIELDS and she is doing fine. If anything, she looks younger...Agent MARY BURROWS celebrated her employment anniversary date on February 24 as did your scribe on February 27...Happy Easter everybody.

- Helen Pallister

LIMITS -

On February 14, Operator TOM ABEL received a wonderful valentine present when his wife, CAROL, presented him with a baby boy. This makes two boys in the Abel family. Congratulations to the proud parents...Operator C. ADAMS has qualified as a supervisor and will be serving in that capacity in the near future...Our sincerest sympathy to Operator JOSEPH CLAY in the passing of his dear sister, Mrs. ELLEMA JOHNSON, down in Arkansas, and to Supervisor BILL LOHSE in the passing of his beloved mother ... Among those who have been in the hospital and are still confined, are: Operators EUGENE SARTI, SAM WILSON, JOSEPH DORNSEIFER, and Clerk JOHN GILMORE ... Supervisor CHARLES KUSCH has returned to his post at Diversey and Sheridan Road after being off for some time due to illness. We are all happy to see you back... Now that the picking of vacations has been concluded, your scribe is looking forward to news of your travels and the number of fish caught. If you are in need of extra money for that vacation, why not see your credit union? The men who serve the Limits credit union will be more than glad to assist you...The mechanics at Limits Station are doing an excellent job of keeping the buses in tip top shape, and request that when you sign in your buses daily to be sure and report any malfunctions, however small they may be...This will be all of the news for now and please inform your scribe of any news of interest. Remember, this is your column.

LOOP -

Our deepest sympathy to Agent MARY WIXTED and her family upon the death of their father, and to the family of Retired Agent STEVE GIBBONS who passed away so suddenly...Janitor E.SCHULTZ was shopping around for a nice black tie the other day...Janitor JIMMY CIVITO is quite a big help around the house, but when he tried to help his wife cut out a coat pattern, well, that didn't work out too well. Jimmy found himself with two left sleeves. Jimmy, how did all this work out?..Birthday greetings to Agent JULIA MATTRAN, March 20...On Saturday mornings, many of the trainmen complain of getting too fat. My advice sir is to stop eating so many of those large sweet rolls that G. WOODMORE has on the table. George, just keep on bringing them. If the boys didn't complain about getting so fat, they would complain about something else...So glad to see Assignment Agent JEAN WASHBURN back on the job. There are many folks who missed you. Everyone likes to hear Jean's voice over the phone. Why? Well, they say she is so cheerful and never complains when agents ask so many questions, even when her phones keep ringing. Jean always finds time for all... Why the happy look on Agent J. Mattran's face all the time? I will let you all in on the secret and don't tell anyone. First, came love-then came marriage-a few years have gone by and now Julia's son and daughter-in-law are thinking about a baby carriage. Yes, Julia and her husband are very happy awaiting their first grandchild. Good luck and happiness to all...March ${\bf 1}$ was a happy day for Janitor ISAAC CHRISTMAS. He started his retirement. Many of his friends got together and had a little party for his birthday and retirement, together. Isaac was a grand person to work with. He never knew how to say NO when an agent wanted help. Isaac will be remembered by all his friends who worked with him for so many years. One and all wish he and his wife the very best of health and happiness for many years to come... Now that spring and summer are almost here and vacations are picked, let's hear from you folks.

TED MARTIN, District "A" superintendent, went on disability retirement on February 1. He has since paid us a visit and told us that he is happy and keeping himself very busy. His neighbors in Grand Junction, Michigan, even talked him into going ice fishing which is something he never did before, but intends to do again. Good luck for a very happy and healthy retirement.

District "D" Traffic Supervisor WILLIAM BLADES is a very proud man and rightly so. The reason is that his son, JIM, came in first in the State Prep Diving Tournament held on March 1. Jim is 17 years old and a senior at Evanston Township High school. He has only been diving about four years and during this time he has won 8 gold, 3 silver, and 3 bronze medals. Diving practice is part of his daily schedule, plus competing in AAU tournaments throughout the country. Congratulations, Jim, and good luck in the future. We hope to see you in the next Olympic games.

The signs of spring have finally arrived: the earlier sunrises, the birds singing, hot-cross buns, bock beer, longer evenings, and baseball spring training. Now we know spring is almost here. Let's hope this is "The Big Year" for the Cubs and Sox...The 61st Street men are mighty proud of themselves. They won the Interstation Safety Contest award for the third quarter of 1968. On January 25, we had free coffee and rolls all day, and movies. G. RILEY, superintendent of operating stations, J. BLAA, superintendent of rapid transit operations, and F. JOHNSON, superintendent of training, from our General Office came out and presented the plaque to us. Five dollar Jewel gift certificates were raffled off and the happy winners were: JOE RAYBURN, CATOR ESCHO, HUBBARD COLEMAN, RONALD McKINNEY, PATRICK GEOGHEGAN, DAVID BENSON, and ERNEST HAYES. THOMAS HUGHES also won a certificate for guessing the amount of beans in a jar. Keep up our good safety record men... Happy, happy news: Assistant Station Superintendent MICKEY O'CONNOR, Loomis Street, returned to work from the sick list. He wishes to thank everyone for all the nice mass cards and get well cards and wishes he received while he was ill ... "Hello" to trainmen transferees from the North and West Sections: MELVIN WOODS, DAVID CURRIN, CLAYTON O'NEIL, and THOMAS NESBARY. Also "hi" to newly-hired Janitors LAWRENCE NEAL and ARTHUR SCHOENKE, and part-time Agent THEODIS LEWIS...Agents ANTOINETTE and SAM STIPATI were telling me about their nice vacation in California where they saw the Rose Bowl parade and football game. They also visited Universal Studios, Disneyland, and the Lawrence Welk show ... The 32nd annual South Side "L" Credit Union meeting and get-together was held on February 9 at the Avenue Liquor Hall, 114th and Michigan avenue, and a good time was had by all. We welcomed many new faces this year. Everyone liked the new hall. It was nice and cozy. My personal thanks to my kitchen help: Mrs. FRANK PONZIANO, the wife of Conductor FRANK PONZIANO, Retired Assignment Agents LULU

HAMANN and ROSE HEIDENBLUT, and ALICE ROESING, the wife of Superintendent of Agents and Janitors BOB ROESING. My hubby, Clerk ROLAND, handled the bar with the help of Janitor ED FREEMAN, who Roland says did such a good job he wants him back next year. Our treasurer, FRED GRONEMEYER, was in the hospital at the time and had to miss the meeting, but Assistant Treasurer FRANK PONZIANO and Roland did a good job conducting the meeting. Many pensioners came out to say "hello" to everyone: Retired Supervisor BOB BROWN, Conductor DENNIS BARRY, Towerman PAT HICKEY, Agent KAREN FRIDDLE, and MARTY SHANNON and JACK SHANNON from the Shop Department. The sandwiches were good as usual and we all had a ball. To get a nice nest egg, let's all start saving in the credit union right now and watch our savings grow...Welcomed back to work after being on the sick list are: Motorman McRAYFIELD CALDWELL, Collector RAY NORMAN, Agent JOHN RYBAKOWSKI, and Clerk THOMAS O'HARA...Spending a nice winter vacation down in Hot Springs, Arkansas, is Conductor PHAROAH CAIN ... Received a card from the "Traveling" ANDERSONS, Retired Assistant Station Superintendent ARTHUR and his wife, HELEN, who were still out in California in February. They were there for the record breaking rains which they didn't enjoy. They attended the Lawrence Welk TV show one Saturday night and danced during the program. One day they went and visited Retired Towerman CHARLES RUM-MEL and he says to tell everyone "hello.".. Motorman FRED GRONEMEYER, who was in the hospital for an operation, is home now recuperating, and Supervisor WILLIAM NASH, who was in an auto accident, is home now too. Also on the sick list is Supervisor THOMAS STANTON. We wish a speedy recovery to all.

The Loomis Street men has a nice pension party for Towerman PATRICK JOYCE who retired on March 1. Patrick was employed in September, 1926. He sure looks young for his age. The charming Mrs. Joyce and Pat's sister attended the get-together. Patrick was presented with a token of remembrance from all his co-workers. The food was as good as ever. Yum! Yum! We wish Patrick and Mrs. Joyce many happy and healthy years of retirement... Retired Conductors JOHN SZCZECH and DANIEL O'DONNELL, and Retired Agent CATHERINE FARRELL passed

SMALL FOUR-WHEEL streetcars like this one were operating throughout Chicago's streetcar system 60 years ago when this picture was taken. The Blue Island Avenue car is being operated by Motorman JOHN HIPPLE who, with one hand on the controller and another on a gooseneck hand brake, appears to be waiting for his conductor to give him the two bells to proceed. The picture was provided by Kedzie Station Operator GEORGE SEPKE, the nephew of Motorman Hipple.

SOUTH SHOPS -

On December 9, 1968, JOHN KURGAN, Upholstery Department, and his wife, GRACE, flew to Arizona for the beginning of their four-week vacation in the Southwest. They divided their time between Arizona and California. While in Palm Springs, they took the tram ride up the San Jacinto mountains into a snowstorm. Santa Anita was included in their itinerary, and this turned out to be fun and profitable. They were lucky to get tickets for the Rose Bowl Game and also saw the Parade of Roses. The fun ended when they had to return from 70 degree weather into 6 degree weather on January 3...A good time was had at the West Side reunion party. There was an excellent turnout. SAM TROMBINO did a nice job of helping with the organization of the party. Sam promised that we would have good service this year. The service was excellent, but Sam was sitting in the center of the table and it seemed that when the plates reached him, they were empty. He was heard to say, "Next year, I'll sit in the kitchen and make sure I get my share of food.".. Welcome back to EDDIE ROBERTS, who was off sick with an eye operation. It's good to see him back working again...The "Gypsy" in the Brake Department is always asking how come no news. We have boxes for news items throughout the shop, and without help from you, we can't have news.
