Until 1973, CTA sold scrap buses on a one-by-one basis, to whoever showed up with money and a tow truck. However, by 1973, there were over 500 awaiting disposal, and CTA let the first mass-sale contract to Pielet, at \$14.66 each. After that, all sales have been in large batches, though to whom has changed every time practically, especially after Pielet was taken over by Metals Management and they by Scrap Corp of America.
