

THESE ILLINOIS TERMINAL CARS WILL RUN AGAIN SUNDAY, OCTOBER 20

Illinois Terminal cars 233-518-234 will depart from Champaign freight station of the Peoria & Eastern Railroad 8:30 AM (CDT) for run to Indianapolis with return arrival about 10:00 PM (CDT). Why not be one of these fans in the photo and purchase a ticket on Club owned electric equipment. Train will be pulled by a GP-7 locomotive.
