By popular demand, the Northern Illinois and Southern Wisconsin Traction-eers are repeating the CHARLES CITY WESTERN fan trip. Last year so many reservations had to be turned down that it was decided to hold another trip this year. We urge all those wishing to attend, to get their reservations in early as not to be disappointed.

Ride old Number 50, which will be all "shined" up for the occasion; take pictures galore; see the famous "Interurban View Farm," etc., etc.

We will provide plenty of picture stops, movie runs, and the like. Ride a real country interurban, enjoy good company, and have a real nice time.
