

ILLINOIS ELECTRIC RAILWAY MUSEUM  
ELEVATED RAILWAY TRIP

SUNDAY APRIL 20TH, 1958

WILSON AVENUE STATION 10 AM

FARE \$ 5.00

Chicago Rapid Transit car number 1024 and S 340 will be run over the elevated system covering the Evanston, Garfield, and Douglas branches. Trip will be about 6 hours long, with many photo stops and 1 hour lunch in the Loop.

This car, through many generous contributions, is owned by the ILLINOIS ELECTRIC MUSEUM and funds received are to be used for the car's transportation to the museum site.

The 1024 is a gate-type car and the S 340 a closed ex-passenger car in yellow livery. Visitors are always welcome to the museum grounds located at North Chicago, Illinois.
