ROLLS AGAIN

Here's your chance to ride the lone operating survivor of Chicago's once great fleet of pre-war trolley buses. Trip will cover approximately 75 miles on 19 different Chicago streets and take 193 to places it has never been before. It's also your chance to ride a trolley coach under wire not regularly used in passenger service.

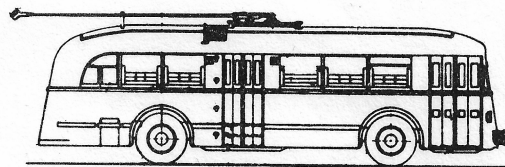

Leaves North Ave. Depot (Bay 13, Cicero and Lemoyne) at 9:00AM sharp. Connects with Lake St. rapid transit at Kedzie 9:15AM and with Congress Route at Kedzie 9:20AM.

Many photo stops and lunch stop.

Trip returns to North Ave. Depot about 5:00PM.
