Station personnel will permit charter train participants free entry to stations between 0830 and 1400 hours. Charter train participants must have in their possession the following "IRM-Snowflake Special" [it will be printed on card stock].

At the beginning and conclusion of the trip, the charter director, Eric Zabelny, and the charter train supervisor will check the train for damage and/or debris. Rail Instructor, J. Zupko, K972, will be in charge of train movements. Senior Manager, M. Kokodynsky, K571 (312-343-0550) is the overall person in charge.

Employees may expect charter train participants to photograph CTA facilities and equipment.

Members of the charter train are to be afforded this privilege provided their actions are consistent with safe and efficient station and train operation.

**SAFETY IS PART OF THE JOB**

**Follow all CTA established rules relating to safe operation, as well as those rules relating to the use of tools, material, equipment and personal safety in the performance of your duties.**
