Dear Railfan:

SUBJECT: CERA TRIP No. 49 - APRIL 4th (or 11th), 1948.
CHICAGO AND WEST TOWNS RAILWAY
Account Abandonment of Street Car Service.

This trip will be a final inspection of the last street railway line of the West Towns, and will cover the entire remaining tracks of the LaGrange Line, thru Cicero, Berwyn, Riverside, Brookfield and LaGrange, Illinois.

It will be held the Sunday AFTER conversion of regular service to buses, which it is now believed will be April 4th. However, this may be delayed to April 11th - therefore, if you want final information send us a self-addressed, stamped, envelope. Advance reservation will be appreciated.

Our cars will be the only ones on the line. Any equipment that can roll will be available. We will meet at 1:30 P.M. at Kenton Ave. & 22nd Street - accessible from Douglas Park "L" or Cermak Road street cars. Absolutely your last chance to see the WEST TOWNS as a street car line. COST \$1.00 per person.
