- Tour Director David Harrison and the train supervisor will inspect the train at the end of the day for any litter or damage.

- Employees should expect tour group members to photograph facilities and equipment during the trip. Such action should be permitted provided there is no danger to customers or employees.
- Transportation Manager II, K571 is the overall person in charge.

Station personnel will permit charter train participants free entry to the above listed stations between. Charter train participants must have in their possession the following **"MSI Member Family and Friends"** ticket (see below).

Questions regarding the contents of this bulletin should be directed to your manager or instructor.

SAFETY IS PART OF THE JOB
Compliance with all work and safety rules is the responsibility of every CTA employee and an obligation each of us has to our co-workers, our customers and ourselves.

Charge: 11035

Vice President,
Rail Operations
