Safety Rules

The rules listed below are for the safety of personnel on the trip. Your adherence to these regulations will insure efficient and safe operation of the excursion.

1. This trip will be operated almost exclusively over street-railway tracks, along with automobile, bus and truck traffic. Be extremely careful when leaving car at photo stops. Watch out for vehicular traffic;

2. No one will be allowed to give hand signals, change trolley poles, align switches, pull bell cords, etc., except those crew members assigned to operate the cars.

3. Don't board or leave moving cars.

4. Keep head and arms inside open windows.

5. No passengers will ride on the rear or front platform steps.

6. Do your part in keeping the cars and right-of-way clean. Put film cartons and other refuse in proper containers.

7. Motormen must not be distracted from their duties by unnecessary conversation and questions.

8. Do not remove any equipment from car.

9. Please reboard car promptly upon completion of photo stops. Keep out of the way of your fellow-photographers. Don't spoil his picture by moving into his camera range.

If you're not familiar with the activities of the Central Electric Railfans' Association, we would like to remind you that visitors are always welcome to our monthly meetings. These are conducted in the auditorium of the Western Society of Engineers, 7th floor, at 84 East Randolph St., in Chicago. Meetings start at 7:30 PM on the fourth Friday of each month. Programs feature color slides, movies and speakers on electric railway and associated subjects. Any of the committee members on this trip will be pleased to answer any Questions you may have, about the association.

Our next meeting will be held on Friday, October 26th.
