IMPORTANT ANNOUNCEMENT

Because of circumstances beyond its control, the Board of Directors of the Central Electric Railfans' Association is forced to replace its Freight Train Fan Trip No. 71 on the Chicago, Aurora & Elgin Railway with a passenger trip.

This trip, using passenger equipment, will cover all lines of the Chicago, Aurora & Elgin Railway on the same date, May 19, 1957, leaving DesPlaines Avenue (Forest Park) terminal at 9:30 a.m. Chicago Daylight Saving Time.

Fare will be \$8.00, half fare \$5.00 when accompanied by an adult. Cash refund will be made on day of trip to allow for difference in charter costs.

Freight train tickets now outstanding will be honored on the passenger trip. Those who do not wish to attend the passenger trip will be required to return ticket to the CERA address shown above not later than May 17 with application for refund. No refunds will be made after May 17.

The passenger train trip will be up to the high quality standards set by CERA in previous trips with many photo stops. Your wholehearted support is solicited.
