Join the members of the Illinois Railway Museum as they tour the CHICAGO TRANSIT AUTHORITY'S "L" LINES. The trip will be using the ARTICULATED CARS and various 6000 class PCCs. The trip planned is to cover the Skokie, Evanston, Howard, Douglas, and Milwaukee lines, as well as the loop trackage.

## SUNDAY MARCH 18, 1979

**DEPARTURE:** 9:00 am from Howard Street. If you miss the train, we will pick you up southbound at about 9:45.

**FARES:** \$11.00 Adults (\$12.00 day of trip) and \$8.00 Children (\$9.00 day of trip).

**LUNCH:** A lunch stop will be provided downtown.

Our **BOOKSTORE** will have a selection of items, so bring along some extra cash.

**ABOUT SNOW:** The name "Snowflake Special" is the traditional name of the Illinois Railway Museum's late winter trip. It in no way implies our desire for snow on that day. We've had enough too!
