# ILLINOIS RAILWAY MUSEUM
SNOWFLAKE SPECIAL
Sunday, March 28, 2010

This *Snowflake Special* excursion, using CTA's 2200-series cars at left, is a fundraiser to secure indoor storage space for IRM's 2000-series cars, sister cars to those shown below in their original green and white paint scheme on the Lake St. line.

Join the members of the **Illinois Railway Museum** as they tour the Chicago Transit Authority's "L" lines. The four-car train will consist of Chicago's oldest cars in revenue service, the 2200-series cars built by Budd in 1969-70 and scheduled for replacement by the 5000-series cars now being built. Beginning at Rosemont station (River Rd.) on the Blue Line, the trip will travel on almost every line, plus lots of non-revenue and yard trackage.

Departure: **9:00 am** from Rosemont (Blue Line) station, at 5801 N. River Rd. in Rosemont. Parking is available in the Rosemont "Park & Ride" lot for $5. Riders may also board at Rosemont southbound at approximately 9:20 am, Jefferson Park station (4917 N. Milwaukee Ave.) at approximately 9:35 am, or Clark/Lake station (124 W. Lake St.) at approximately 10:05 am; to board train at these alternate Blue Line stations, hold up ticket in plain view of motorman and excursion crew.

Fare: $42.00 per person. Orders received after March 20 will be held for pickup at Rosemont. No refunds after March 20, 2010.

Lunch: Lunch stops will be provided in the Loop.

Note: Because we are covering so many lines, the trip will conclude at Rosemont about 6:00 pm. We will make earlier stops upon request. The train is not wheelchair-accessible.
