## Straight Out of the 70s!

### Sunday, April 3, 2016

This excursion is a fundraiser to support preservation and restoration of IRM's CTA rapid transit collection.

Beginning at the north end of the Yellow Line, the excursion will travel to the south, west, and northwest sides of the City and will include lots of yard and non-revenue trackage.

**All right, here's the straight skinny.**

**2400 series 'L cars are coming *Straight Out of the 70s!* Far out, man!**

**Going to be a great sight seeing them groovin' down the line!**

**Can you dig it? Aren't you stoked? Right on, man!**

**Be there and we'll catch you on the flipside!**

**Come wearin' your best 70s duds, talkin' a smooth jive, and you may win a prize!**

**Departure: 8:45 am.** We'll boogie out of the Dempster-Skokie station on CTA's Yellow Line (Skokie Swift), at 5001 Dempster St., Skokie. You can park your Gremlin there for \$2-3 in the park-and-ride lots.

**Fare: \$50.00 per person (in advance).** If we get your order after March 26, we'll have your ticket ready at the Dempster-Skokie station when you get there. Only 140 tickets will be sold, and if any remain on the day of the trip, the fare will be \$55.00. No refunds after March 26, 2016.

**Lunch:** One hour will be given for lunch on your own at stops around the Loop; we'll even give you a list of places with good grub.

The trip will conclude at Dempster-Skokie about 6:00 pm. We will make earlier stops upon request. 2400-series cars are wheelchair accessible; consult CTA for station accessibility. **Specific equipment cannot be guaranteed and is subject to change by the CTA.**
