We will have our first inspection trip on C.T.A.'s new Flyer buses. The 200 new Flyers are now being placed in service at several garages. The buses costing \$126,112 each were purchased by C.T.A. from Flyer Industries, Ltd. of Winnipeg, Canada. The buses are the standard 40 foot size with seating capacity for 50 riders. We will have a 5 hour trip, visiting several interesting sights in Chicago.
