DOR FORMAT EXPLANATIONS:

Route

Bus route names and numbers are generally as they appear on the system map, bus stop signs and roller curtains.

Terminals/Destination Signs

These are taken from roller curtain and electronic sign lists.

Schedule Interlocks

These indicate cases of runs on a given route working on another street. This edition lists by route those which have pieces of work on (to) another route or are worked by (from) another route. Most schedule interlocks are only used Monday-Friday, although a few are employed on weekends.

Hours of Operation

This information gives the specific first trip/last trip information for each route.

Lift-Equipped Bus Routes

Currently, CTA has 61 routes that are lift-equipped. Lift-equipped routes are indicated by this wheel chair symbol. This symbol will appear on the route name line of the appropriate route description sheets.

Maps

Operator maps currently issued by Service Delivery Planning are reproduced here. They are always arranged with north facing the top of the page. The Standard codes for line maps are shown here.

Histories

The route's history is provided on the back of each route. Several routes have more history than a single page can cover, these are noted, and for additional information, please call Service Delivery Planning.

Miscellaneous

Information is provided on:

- * special fares
- * stops on limited-stop routes and non-stop zones on express routes
