March 14, 1933

Mr. H. O. Crews:

A special description of lines leaving the central business district has been prepared for use with the new Surface Lines Guide.

The lines have been arranged in groups according to the territory served. The location where cars may be boarded, destination, destination sign, side sign and routing from the central business district have been shown for each line. Two copies of the description have been attached.

*F. A. Forty*
