to the World's Fair 1933
A CENTURY OF PROGRESS
and Points of Interest in
CHICAGO

The Management of the Chicago Motor Coach Company and "The Men Who Man the Coaches" extend a cordial welcome to the visitors to Chicago, second city in population in the United States, and to the greatest drama of human progress ever assembled in the tide of time—The World's Fair 1933—"A Century of Progress."

THE CHICAGO MOTOR COACH COMPANY with its comprehensive boulevard routes, open top coaches and efficient service, provides ideal recreation and an unsurpassed view of the CITY BEAUTIFUL, as well as DIRECT TRANSPORTATION to the LOOP and all entrances to "A CENTURY OF PROGRESS."

JOHN A. RITCHIE,
President.

CHICAGO MOTOR COACH CO.

1933

A MAJORITY of the Chicago Motor Coach Company's routes are over the city's marvelous boulevard system and through its wonderful parks. Many of the outstanding points of interest in this "City Beautiful" are located on or near the routes covered by our coaches.

All of the main routes enter the Loop from the North, South, and West sides of Chicago via the principal boulevards and parks.

The coaches are manned by carefully selected and trained men.

The fare is Ten Cents for adults and Half Fare for children between the ages of seven and twelve years. Free transfers are issued in one general direction.

MUSEUMS

ART INSTITUTE OF CHICAGO, Michigan Avenue at Adams Street. The third largest art museum in the country. Hours: 9 to 5 on week days; 12:15 to 8 on Sundays. Admission free to Museum! Twenty-five cents to Century of Progress Fine Art exhibit. Rts. 1, 2, 3, 6, 17, 18, 28, 29, 51, 52, 53, 60.

FIELD MUSEUM OF NATURAL HISTORY, Roosevelt Road and Leif Eriksen Drive, open every day from 9:00 to late afternoon. Children admitted free every day; adults free on Thursdays, Saturdays and Sundays. Other days: an entrance fee of twenty-five cents is charged. Rts. 17, 18, 26, 28, 29, 47, 60.

MUSEUMS Continued

SCIENCE AND INDUSTRY

An institution to reveal the technical aspect of man. The Museum of Science and Industry is situated on Lake Michigan at 57th Street. Its collections will trace the technical progress of man from primitive times to the present day. Eleven forms of exhibits will tell in three dimensional form the story of man's use of tools and machines from the stone hatchet to the complicated machines of today.

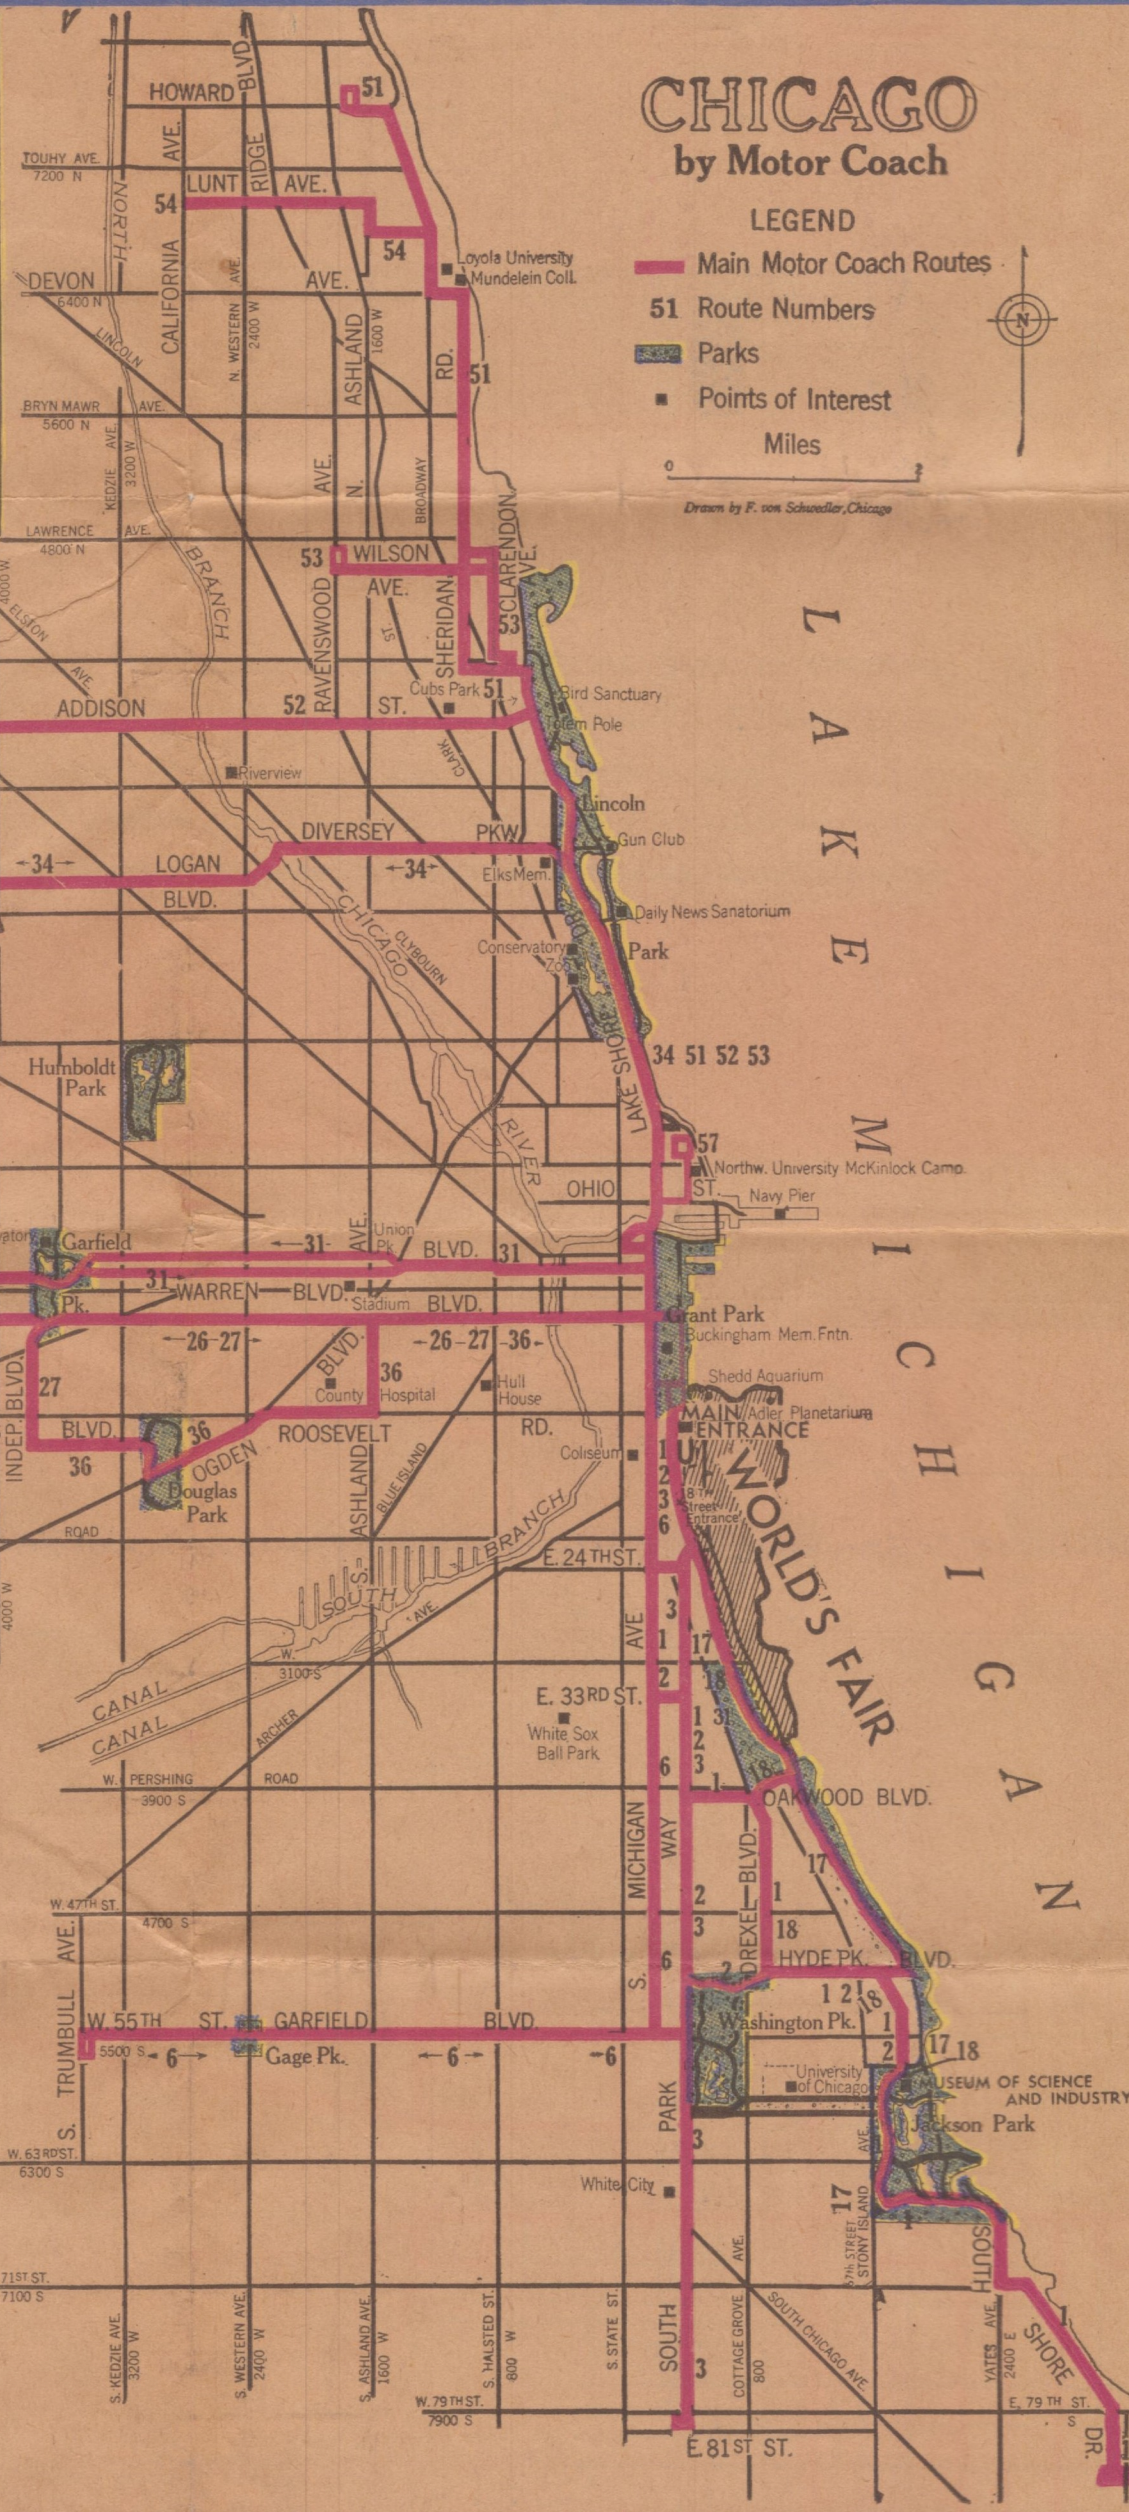

Admission to the museum free. Hours: 10 A. M. to 6 P. M. Routes No. 1, 2, 17 and 18 direct to museum.

BUCKINGHAM MEMORIAL FOUNTAIN

Located in Grant Park, at Congress Street. The major display of water (5,500 gallons per minute) is in operation on Wednesdays, Saturdays, and Sundays for one hour at noon and from 9 to 10 P. M. During the evening major display the fountain is illuminated by several million candle power of colored electric lights. The center jet of water rises to 100 feet during the major display. Rts. 1, 2, 3, 6, 17, 18, 26, 28, 29, 60.
