This map gives detailed information about Chicago Transit Authority bus and elevated/subway ('L') train service and shows Pace suburban bus and Metra commuter train routes in the CTA service area. It is updated regularly and available at CTA rail stations, Metra downtown terminals, visitor centers. airports or by calling the RTA Travel Information Center.

Regional service overview

CTA runs buses (routes 1 to 206) and elevated/subway trains serving the city and 35 neighboring communities. Major routes run daily through late evening, generally every 10-20 minutes but service frequency can vary based on route and time of day-see individual timetables for details or plan a trip online or by phone in advance.

PACE runs buses throughout the suburbs (routes 208 and above and Pulse rapid routes). Many connect with CTA. Major routes generally run daily thru mid-evening, every 30-60 minutes.

You can use a Ventra Card or contactless bankcard to pay fares as you ride or use valid passes on any CTA bus or train, and on Pace buses.

METRA runs 11 suburban commuter train lines from several downtown Chicago terminals. Most routes run daily; check schedules or use trip planners to plan your trip. Fares are separate. Purchase tickets in the Ventra app. A Regional Connect Pass is available to Metra monthly ticketholders for use on CTA or Pace.

The SOUTH SHORE LINE runs commuter trains, daily, between downtown Chicago (Millennium and Van Buren stations) and South Bend Airport in Indiana. Fares are separate.
