Regional Transportation Authority

The Regional Transportation Authority (RTA) provides financial oversight, funding, and regional transit planning for the three public transit operations in Northeastern Illinois that serve two million riders each weekday: The Chicago Transit Authority (CTA), Metra and Pace bus and paratransit. The Agency provides customer services including on-line and telephone travel planning assistance and travel training for people with disabilities. The RTA is the only transit agency that focuses on the entire region when determining transit planning and funding. The RTA region has a population of approximately eight million people throughout six counties and 7,200 transit route miles. For more information, visit RTAChicago.org

TAKE TRANSIT.
IT'S GOOD FOR YOU
AND YOUR WALLET.

Amtrak provides rail service from Chicago's Union Station to cities throughout Illinois and United States. Many of these routes, combined with Thruway buses, connect 35 Illinois cities. For more information, visit Amtrak.com

Chicago Water Taxi offers a direct link from the Metra and Amtrak train stations at Madison Street to Michigan Avenue, North Avenue and Chinatown. For more information visit chicagowatertaxi.com

Accessibility

Metra has 242 commuter rail stations, of which 171 are fully accessible and 22 are partially accessible. The CTA "L" train system includes 145 stations, of which 102 are fully accessible. All CTA and Pace buses are ramp-equipped and make automated stop announcements. For more information on how to use the region's accessible bus and rail system, visit RTAChicago.org/riders-resources/accessible-transit

Cash is accepted on buses. Fares can also be paid using a contactless bankcard or certain smartphones—but a full cash fare will be deducted for each ride. Transfers are not available.
