## Regional Transportation Authority

The Regional Transportation Authority (RTA) provides financial oversight, funding, and regional transit planning for the three public transit operations in Northeastern Illinois that serve two million riders each weekday: The Chicago Transit Authority (CTA), Metra and Pace bus and paratransit. The Agency provides customer services including on-line and telephone travel planning assistance and travel training for people with disabilities. The RTA is the only transit agency that focuses on the entire region when determining transit planning and funding. The RTA region has a population of approximately eight million people throughout six counties and 7,200 transit route miles. For more information, visit [rtachicago.org](http://rtachicago.org)

## CTA, Metra and Pace

The Chicago Transit Authority (CTA) runs bus and elevated/subway trains in Chicago and nearby suburbs. For current fare and schedule information, visit [transitchicago.com](http://transitchicago.com)

Metra provides commuter rail services to 243 stations throughout the region serving Chicago and its suburbs. For complete fare and schedule information, visit [metra.com](http://metra.com)

Pace moves people throughout the Chicago region with fixed bus routes, Dial-a-Ride, On Demand, and other community transit programs. Most Pace bus routes connect with Metra and CTA service. For schedules and fares, visit [pacebus.com](http://pacebus.com)

## Transit Partners

South Shore Line runs trains on the Metra Electric line from downtown Chicago to South Bend, Indiana, serving the Southeast Side of Chicago and Northwest Indiana. For schedules and fares visit [mysouthshoreline.com](http://mysouthshoreline.com)

## CTA and Pace Fares

Ventra™ is the region's fare payment system. Ventra Transit Accounts can be loaded with value and passes using the Ventra App, cash, coins or bankcard at any Ventra vending machine or with credit/debit cards online and by phone. Ventra Cards can now be added to an Android device with Google Pay or iPhone or Apple Watch.

Cash is accepted on buses, but free transfers are not possible. A new cash fare must be paid on each bus.
