

## Save money and fuel

You can save \$\$\$\$ by leaving your car at the Midway Parking lot and taking the new # 99M Midway Park 'n' Ride service to the loop. Based on recent surveys, it costs approximately \$2.00 a day round trip to drive between the Midway area and the Loop. With typical parking fees of \$3.00 a day downtown, driving costs at least \$5.00 a day. With CTA, total costs are only \$1.00 - saving you at least \$4.00 a day! That's over \$1,000 a year, not to mention eliminating the need to hassle with rush hour traffic!

This new express service can also help conserve our vital fuel supply. Depending on the size of your car, you can save between 250 and 500 gallons a year by letting CTA be your driver.
