Reader Alert

For your safety and comfort, track and roadbed on the Skokie Swift line will be renewed during the Spring and Summer of 1991. The major portion of this work will be done on weekends and will necessitate shutting down the line for several Saturdays beginnings as early as April 20, 1991 and continuing through September, 1991. On Saturdays, when trains are not operating, special buses will be operated to shuttle passengers non-stop between Dempster and Howard stations. Watch for specific announcements to be posted on trains and at the stations. Thank you for your patience.
