Chicago to Aurora

Welcome to Metra, the finest commuter rail system in the nation. This timetable not only shows the departure and arrival times, it contains information on how to use the Metra system: station information, ticket types and fares, connecting services . . . and phone numbers to call if you still have any questions.

Monday-Friday schedules, Saturday schedules and Sunday/Major Holiday schedules are shown on different panels. Be sure to consult the panel that is appropriate for the day you'll be riding with us.

HOW TO READ THIS TIMETABLE

First locate at the top of the page in the colored block, the appropriate direction and the day of the week that you plan to travel. Next, identify the boarding station on the farthest left column. Follow across to the right to determine the departure times of trains at that station. Select the train that best meets your personal needs and move down that column to identify the arrival time at your destination station.
