GENERAL INFORMATION

Please note that times shown in this timetable are departure times. Trains can and do arrive at stations ahead of scheduled departure times, and crews may close doors 30 to 45 seconds in advance of the scheduled departure times so that trains may depart on time. We encourage all customers UP-NW to allow additional time in getting to the station to avoid any unforeseen circumstances.

All information in this timetable is subject to change without notice. Visit metra.com for updates, regulations and **restrictions.** Metra is not responsible for lost articles errors in timetables, or for inconvenience or damage resulting from missed stops; delayed, cancelled, or missed trains; failure to make connections; or shortages of equipment.

Accessibility - Stations on this line that are accessible to individuals with disabilities are indicated on the timetables next to station names. All trains on this line have at least one lift-equipped car per train, identified with the international access symbol, to provide access from low-level platforms. For full information about accessibility, go to metra.com/accessibility.

Bicycles and scooters – Bikes and scooters are permitted on all trains, either in the priority seating areas of ADA railcars or in spaces designated for bikes on railcars with a bike logo. Bike and scooter spaces are allocated on a first-come, first-served basis, but customers with disabilities have priority in the ADA spaces. Crews have the right to refuse bikes and scooters if all spaces are filled or if ADA seating is needed for customers with disabilities. Visit *metra.com/bikes* to review the complete bicycle policy, including requirements for storing the bike.

Pets - Service animals assisting customers with disabilities are permitted on trains at all times. Small pets in travel carriers are allowed on certain trains; see metra.com/pets for details.

Quiet Car® Program - Quiet Cars

are available on all weekday trains arriving downtown at or before 9 a.m. and departing downtown between 3:30 p.m. and 6:30 p.m. On trains with six or more cars, Quiet Cars are the second cars from both ends. On trains of five cars or less, the Quiet Car is the second car from the engine. Quiet Car is a registered service mark of Amtrak. For more details, go to *metra.com/quietcars*.

Baggage - There is no checked baggage on Metra trains. Because of limited space, non-folding carriages or other large items cannot be carried. Baggage should not block aisles or other seats.

Stopovers/Transfers - Metra allows stopovers and transfers for riders using One-Way Tickets without additional charge, under certain conditions. Please notify onboard personnel prior to ticket validation.

Holidays: Sunday schedules are in effect on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas. On other days, such as preholiday dates, modified schedules may be in effect. Visit *metra.com* or call 312-322-6777 before traveling.
