GENERAL INFORMATION

Please note that times shown in this timetable are departure times. Trains can and do arrive at stations ahead of scheduled departure times, and crews may close doors 30 to 45 seconds in advance of the scheduled departure times so that trains may depart on time. We encourage all customers to allow additional time in getting to the station to avoid any unforeseen circumstances.

All information in this timetable is subject to change without notice. Visit metra.com for updates, regulations and restrictions. Metra is not responsible for lost articles, errors in timetables, or for inconvenience or damage resulting from missed stops, delayed, cancelled or missed trains, failure to make connections or shortages of equipment.

Accessibility: Stations on this line that are accessible to individuals with disabilities are indicated on the table on the next page. Railcars on the Metra Electric Line are equipped with roll-on bridge plates that cover the gap between the vestibule and the high-level platforms. For full information about accessibility, go to metra.com/accessibility

What's allowed on the train: Metra allows bikes, electric scooters, and small pets in carriers under certain conditions and primarily on non-rush period trains. Please go to **metra.com** to review our full policies. Baggage is allowed but cannot block the aisles or other seats. Because of limited space, non-folding carriages or other large items cannot be carried.

Quiet Cars®: Quiet Cars are available on all weekday trains arriving downtown at or before 9 a.m. and departing downtown between 3:30 p.m. and 6:30 p.m. On the Metra Electric, the third car from the south end of the train is a Quiet Car. There are none on two-car trains. (Quiet Car is a registered service mark of Amtrak.) For more information, go to metra.com/quietcars.
