### GENERAL INFORMATION

Please note that times shown in this timetable are departure times. Trains can and do arrive at stations ahead of scheduled departure times, and crews may close doors 30 to 45 seconds in advance of the scheduled departure times so that trains may depart on time. We encourage customers to allow additional time in getting to the station to avoid any unforeseen circumstances.

All information in this timetable is subject to change without notice. Visit [metra.com](http://metra.com) for updates, regulations and restrictions. Metra is not responsible for lost articles, errors in timetables, or for inconvenience or damage resulting from missed stops, delayed, cancelled or missed trains, failure to make connections or shortages of equipment.

**Accessibility:** All stations on this line are accessible to individuals with disabilities. All trains on this line have at least one lift-equipped car per train, identified with the international access symbol, to provide access from low-level platforms. For full information about accessibility, go to [metra.com/accessibility](http://metra.com/accessibility).

**Bicycles and e-scooters:** Standard bicycles and electric scooters (e-scooters) are permitted on weekday trains arriving in Chicago before 6:31 a.m. and after 9:30 a.m., or departing Chicago before 3 p.m. and after 7 p.m., and on all weekend trains. There is no additional charge. Small folding bikes in protective covers and folding e-scooters are permitted on all trains. Five bicycles are allowed in the priority seating areas on each accessible car; crews have the right to refuse bikes in the event of overcrowding or if priority seating is needed for customers with disabilities. Cyclists are required to secure their bike to the lower railing of the folding seat with a bungee cord or other device. Cyclists should visit [metra.com/bikes](http://metra.com/bikes) to review the complete bicycle policy. Metra also has special bike cars on some lines; for information go to [metra.com/bikecarprogram](http://metra.com/bikecarprogram).

**Quiet Car® Program:** Quiet Cars are available on all weekday trains arriving downtown at or before 9 a.m. and departing downtown between 3:30 p.m. and 6:30 p.m. On trains with six or more cars, Quiet Cars are the second cars from both ends. On trains of five cars or less, the Quiet Car is the second car from the engine. Quiet Car is a registered service mark of Amtrak. For more details, go to [metra.com/quietcars](http://metra.com/quietcars).

**Baggage:** There is no checked baggage on Metra trains. Because of limited space, non-folding carriages or other large items cannot be carried. Baggage should not block aisles or other seats.

**Pets:** Service animals assisting customers with disabilities are always permitted. Small pets in travel carriers are allowed on off-peak and weekend trains that allow bikes.

**Stopovers / Transfers:** Metra allows stopovers and transfers for riders using One-Way or 10-Ride tickets without additional charge, under certain conditions. Please notify onboard personnel prior to ticket validation.
