SouthWest Service

Chicago to Manhattan

Metra
The way to really fly.

Effective May 19, 2008

WELCOME TO THE SOUTHWEST SERVICE

Population and business growth along Metra's Southwest Service corridor increased the need for commuting options, and Metra responded by greatly expanding service. The number of daily trains increased from 16 to 30, creating better options for your travel to and from work. And, we're not just for traveling to work. With more trains throughout the day, you can enjoy downtown shopping, dining, and plan other recreational trips aboard Metra.

In addition to a new Palos Heights station, the completion of the 12-mile extension from Orland Park to Manhattan provides more convenient options for Will County residents. New station locations include Laraway Road in New Lenox and Manhattan. Over the span of the project, an additional 4,000 parking spaces have been added at SouthWest Service stations.

These enhancements are part of Metra's commitment to provide safe, reliable and affordable commuter rail service. We look forward to welcoming you aboard!

HOW TO READ THIS TIMETABLE
