WELCOME TO THE SOUTHWEST SERVICE

With 11 rail lines serving 239 stations systemwide, Metra has long been the preferred commuting option for thousands who travel to work. For many, Metra is also the first choice for leisure and other non-work travel as well.

Always looking for ways to improve upon our passengers' travel needs, we are pleased to introduce Saturday SouthWest Service. That's right! Now residents along the SouthWest Service corridor can travel aboard Metra on Saturday too. Whether for work, play or just a Saturday get-away, let Metra's SouthWest Service take you there!

Plus, southern Will County residents who board at Laraway Road or Manhattan now have an additional midday inbound and outbound weekday train. These two enhancements build upon earlier SouthWest Service initiatives that doubled service, added new stations, extended the rail line, and increased parking—all underscoring Metra's commitment to meet the corridor's population growth.

HOW TO READ THIS TIMETABLE

First locate at the top of the schedule panel the appropriate direction that you plan to travel. Next, identify the boarding station on the farthest left column. Follow across to determine the departure times at that station. Select the train that best meets your needs and move down that column to identify the arrival time at your destination station.
