Metra[®]
The way to really fly.

Effective 2:01 AM, Sept. 4, 2005

Welcome to Metra, the finest commuter rail system in the nation. This timetable not only shows the departure and arrival times, it contains information on how to use the Metra system: station information, ticket types and fares, connecting services . . . and phone numbers to call if you still have any questions.

Monday-Friday schedules, Saturday schedules and Sunday/Major Holiday schedules are shown on different panels. Be sure to consult the panel that is appropriate for the day you'll be riding with us.

HOW TO READ THIS TIMETABLE

First locate at the top of the page in the colored block, the appropriate direction and the day of the week that you plan to travel. Next, identify the boarding station on the farthest left column. Follow across to the right to determine the departure times of trains at that station. Select the train that best meets your personal needs and move down that column to identify the arrival time at your destination station.

CONNECTING SERVICES

CTA Connections

At Metra's Ogilvie Transportation Center most CTA buses board on Washington or Canal, with frequent service everyday to downtown and North Michigan Avenue. Board CTA Green Line trains at the Clinton/Lake elevated station.

During limited AM and PM Weekday hours, CTA offers a \$1.00 Rush Shuttle fare for all non-transferring customers serving Metra's downtown stations, including popular routes to North Michigan Avenue and Illinois Center. Seasonal service is also available to the United Center, Soldier Field and the Lakefront Museums.

Outside of downtown, connections can be made at the Jefferson Park Station to CTA Blue Line trains (downstairs) which will take you to O'Hare Airport in just 15 minutes. CTA buses connect at all stations between Park Ridge and Clybourn.

PACE Connections

Pace buses also connect with Metra trains at a number of suburban stations system wide, primarily at peak rush hour periods.

Connections are not guaranteed between Metra trains, or between Metra trains and services of other rail and bus carriers.
