With Kane County's residential growth expected to gain even greater momentum in the next several years, Metra has responded by completing its UP/W line eight-mile rail extension from Geneva to Elburn. The rail extension project includes two new stations at La Fox and Elburn and a new coach yard.

The extension will relieve congestion at the Geneva station, where ridership and parking demands have been increasingly constrained due to the increase of Kane County residents who access this station daily. In addition, the extension provides suburb-to-suburb access for Kane County commuters to prime employment markets along the line.

These enhancements are part of Metra's commitment to provide safe, reliable and affordable commuter rail service. We look forward to welcoming you aboard!
