

New schedule, new routes, and new names!

Your RTA-NORTRAN Park Ridge service has been modified to better meet your needs. Two new routes, the 240 Dee Road and 241 Greenwood services, have replaced (Effective June 13, 1976) the old 40-41-42 routes.

The two new routes provide (for the first time) direct service between the Golf Mill Shopping Center and the south side of Park Ridge. They will both continue to provide excellent service to the center of Park Ridge and convenient connections with Chicago and North Western commuter trains.
