With the new Universal Transfer you can transfer to any other RTA carrier's bus or rapid transit service without having to pay an additional full fare. The new transfer costs only 10¢ (5¢ for senior citizens, handicapped persons and children).

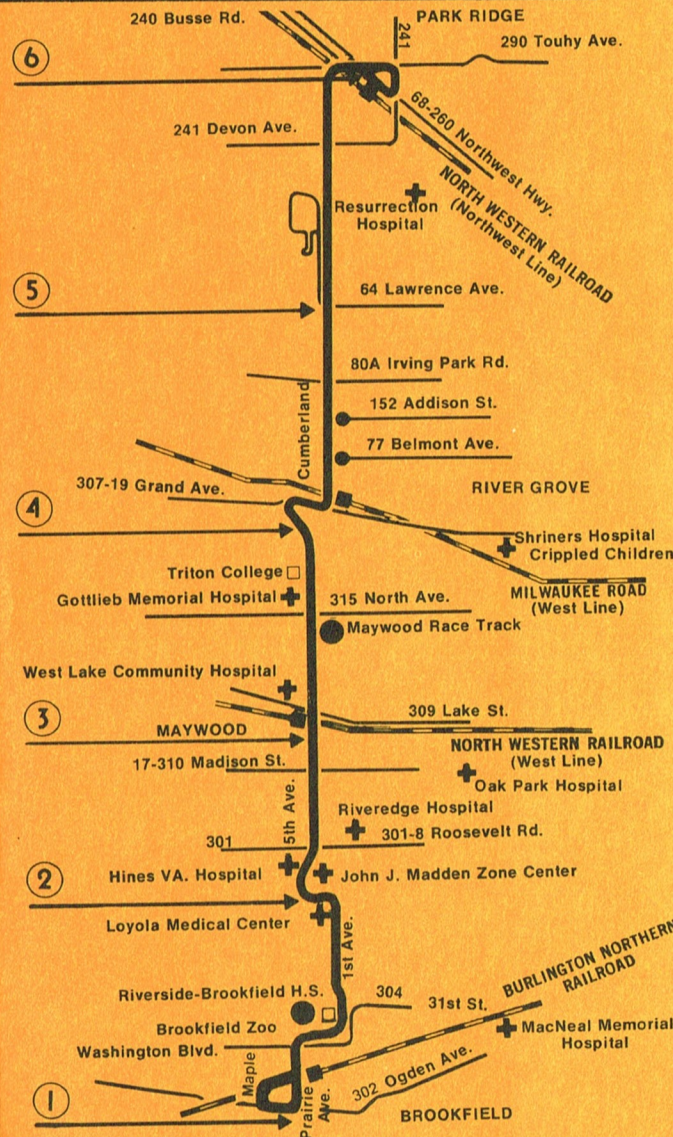

## How to read this timetable

- 1 Locate the timepoint on the map nearest to the place you will be boarding the bus. Timepoints are indicated on the map and in the timetable by this symbol ①.
- 2 Refer to the column in the timetable, for the direction you want to be heading, with the same timepoint number to determine what time buses pass that location.
- 3 Estimate how long it will take the bus to get between the timepoint and the place you will be boarding. Buses travel at approximately the same speed as automobiles.

It is a good idea, when you start to use the bus, to be at your boarding point a few minutes earlier than the time you estimate for the bus's arrival.
