

Coming from Downtown

When heading for the southern part of Lewis Avenue, use Route #572 and transfer at Washington and Lewis—buses are scheduled to connect and there will be no waiting time.

When heading for the northern part of Lewis Avenue, use Route #567 and transfer at Lloyd and Lewis—there will be an approximate nine minute wait.

Going to Downtown

When coming from the southern part of Lewis Avenue, transfer at Lewis and Melrose to Route #567—there will be an approximate nine minute wait.

When coming from the northern part of Lewis Avenue, transfer at Lewis and Melrose to Route #567—there will be an approximate thirty-six minute wait.

Downtown Waukegan

Once Downtown, schedules have been re-arranged to allow connections between all buses as well as Chicago and North Western trains. Most bus connections are from one to five minutes, most train connections are six to seven minutes.

The following table of bus arrival times at connecting points has been prepared to assist your transferring at other points. Due to varying traffic conditions, no connections can be guaranteed. However, as always, the company makes every effort to run on schedule and provide timely, courteous and safe service to its patrons.

How to use the new Lewis Crosstown- RTA route 569 for transferring to other Waukegan- North Chicago Transit Company routes

In addition to providing local service along Lewis Avenue, the new Crosstown bus route will also connect with most other Waukegan-North Chicago bus routes. The following information is being provided to facilitate transferring between the Crosstown and connecting routes and to minimize your waiting time.
