MAJOR IMPROVEMENTS FOR RAVENSWOOD RIDERS

The new all-express elevated service gives the majority of the Ravenswood rapid transit riders these important service improvements—

FASTER SERVICE	Three minutes faster running time between Kimball Ave. and the Loop.
MORE FREQUENT SERVICE	Waiting time cut in half—a train every three minutes at “all-stop” stations, from 6:30 a.m. to 6:30 p.m.
MORE CONVENIENT SERVICE	Ninety-one percent increase in trains, and 38 percent increase in cars and seats during all-express period from 6:30 a.m. to 6:30 p.m.

SERVICE INCREASES

ALL-EXPRESS (6:30 a.m. to 6:30 p.m.)

Stations	Service Increases
Kimball	 91 percent more trains 38 percent more cars 38 percent more seats
Kedzie	
Western	
Montrose	
Irving Park	

RUSH HOURS

Stations	Service Increases
Kimball	 91 percent more trains 43 percent more cars 43 percent more seats
Kedzie	
Western	
Montrose	
Irving Park	

(Note: Evening and Owl service is more frequent; Owl trains (1:00 a.m. to 5:30 a.m.) operate to Fullerton only, where there is direct platform connection with subway trains. Sundays and holidays all trains stop at all stations between Kimball Ave. and the Loop.)

For “TWO-SYSTEM” Riders

This new service is faster and more convenient than traveling in rush hours by private automobile. Time saving benefits extend far beyond the elevated structure itself through the transfer arrangement in effect between surface and rapid transit routes. Surface riders may take advantage of the all-express service by transferring at the “all-stop” station, listed below, that is most convenient to them:

“ALL-STOP” EXPRESS STATIONS	Surface Routes
Kimball.....	Kimball Ave. Bus Lawrence Ave. Streetcar
Kedzie.....	Kedzie Ave. Streetcar
Western.....	Western Ave. Streetcar N. Western Ave. Bus Lincoln Ave. Streetcar
Montrose.....	Montrose Ave. Bus
Irving Park.....	Irving Park Bus
