## RIDE CTA AND SAVE YOUR PEP FOR CHEERING THE WILDCATS TO VICTORY

For football fans attending Northwestern University home games at Dyche stadium, CTA will operate special express service on the Evanston rapid transit route. The Central station on CTA's Evanston route serves Northwestern's Dyche Stadium.

Before the games, football special trains will leave Howard station between 12 Noon and 1:30 P.M. and operate non-stop to Central. After the games, express trains will leave Central between 3:40 P.M. and 4:30 P.M., and operate non-stop to Howard. The special trains will supplement the regular Evanston service which makes all stops on the route.

At Howard street, passengers may make direct connections with CTA's North-South and Skokie Swift rapid transit routes. Transfers to the North-South may be made from other rapid transit routes and CTA bus routes at intersecting points.

If you must drive part way, leave your car at one of CTA's parking lots where there's ample capacity, and ride the rapid transit to Dyche Stadium.
