## A Word About Signs

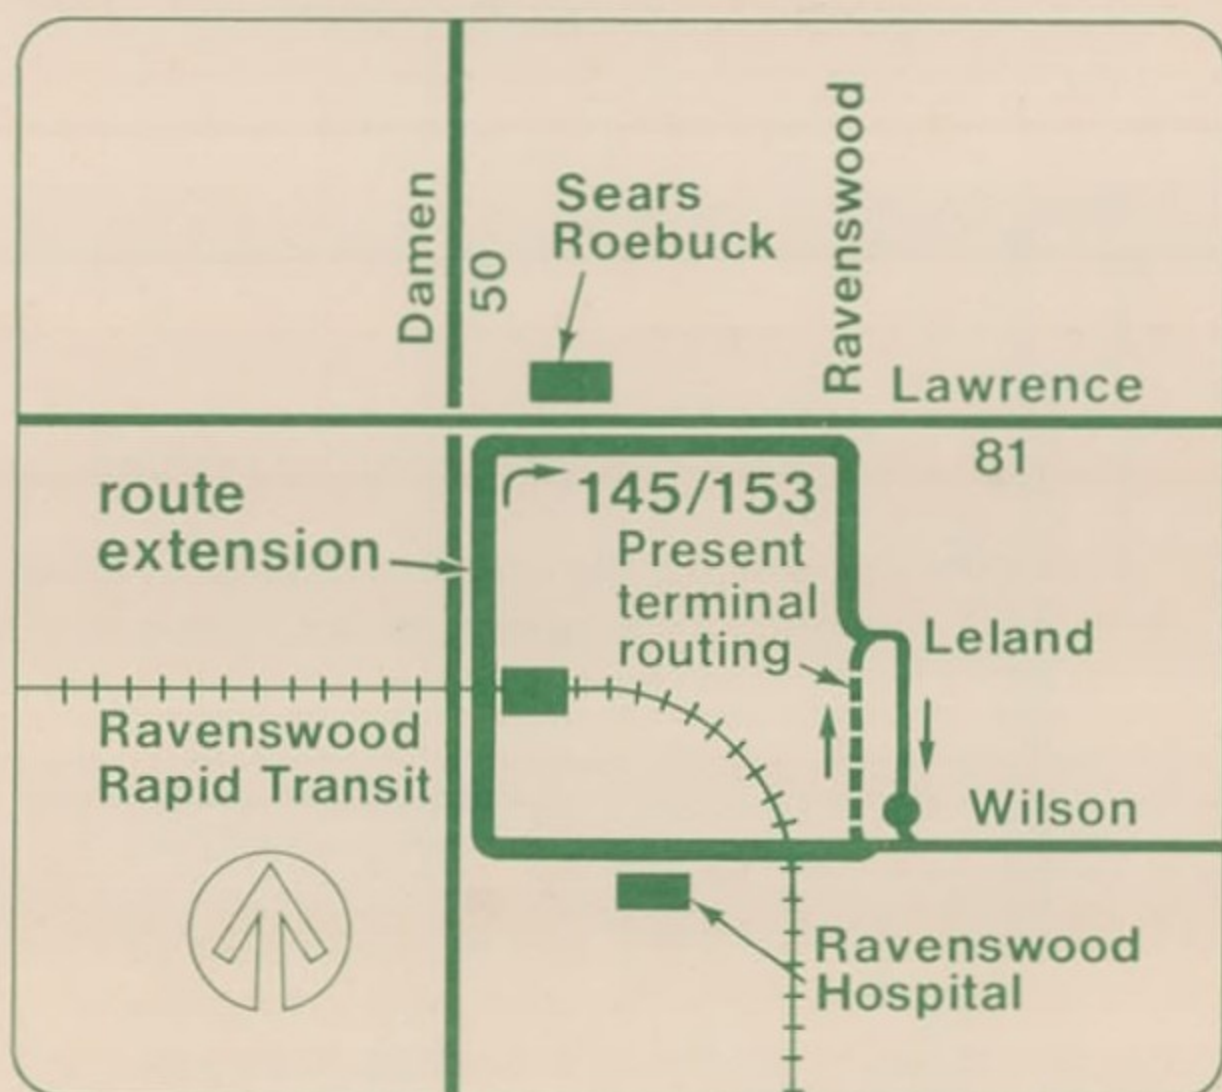

The extension to Damen will require changes in present signs on 530 buses. This work will take place during the summer. Until completed, buses will continue to show "Ravenswood" as the destination on the built-in sign, supplemented with a cardboard sign in the windshield saying "Damen." Note that trips not showing the cardboard sign are not scheduled to Damen and will continue to terminate at Ravenswood. This includes all #135 and #148 trips.
