How to use your MONTHLY PASS

For \$30.00 (cash only, please) your CTA Monthly Pass will give you unlimited riding privileges on all CTA buses and rapid transit for the entire month. Exact fare is unnecessary and you won't have to buy a transfer. You'll just show your pass!

- Sign your name on the front. The Pass is non-transferable and can be used only by the purchaser.
- Show your Pass clearly to the bus driver or ticket agent when you board a bus or enter a rapid transit station.

Dear CTA Rider:

The **CTA Monthly Pass** is a convenient and economical program we are providing for our riders. Every time you use public transportation, it is truly a benefit to you and your environment.
