

**The next best
thing to a North
Michigan Avenue
Metra station.**

Now Metra and CTA can deliver you right to your door. Starting April 17, commuting to North Michigan Avenue will be a lot easier. Because Metra and CTA have teamed up to bring express bus service to the riders of Metra's C&NW North and Northwest and Milwaukee District lines.

The Mag Mile Express Bus. During the weekday 6-9:15 a.m. and 3:15-6:30 p.m. rush hours, The Mag Mile Express will run at regular intervals, from Metra's Clybourn and Western Avenue stations to North Michigan Avenue and back (see map). Buses are timed to meet the trains. By avoiding the hassles of the Loop, your commute will be reduced by 10-15 minutes each way. Plus you'll most likely get a seat since the buses will be less crowded.

You're always on track with Metra. If you haven't ridden Metra in a while — or never have — then come aboard and give us a try. We can get you where you're going fast.
