# RIDING THE BUSES

## SERVICE OVERVIEW

### SERVICE DAYS AND HOURS

See First Bus/Last Bus time chart on the back.

### SERVICE FREQUENCY

**CTA routes** run about every 15 minutes during weekday rush periods, and about every 30 minutes at most other times.

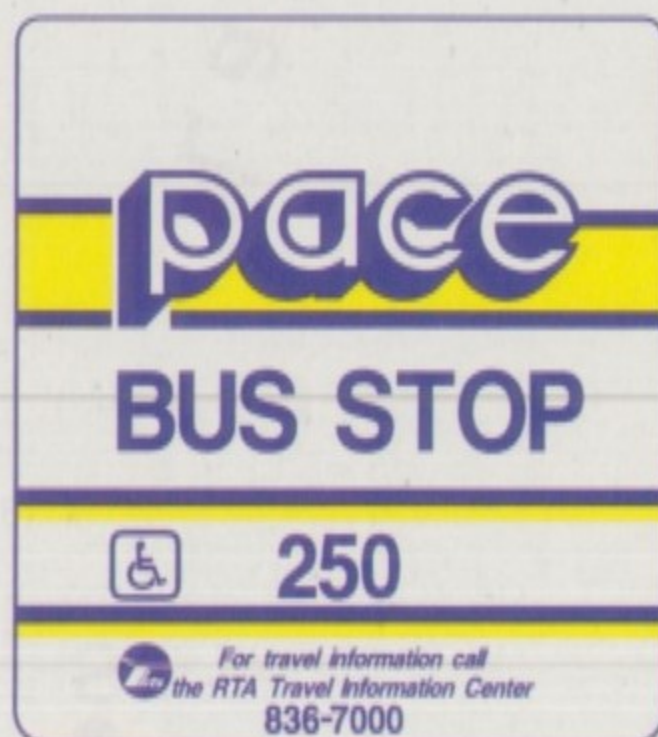

**Pace routes** run every 15 to 30 minutes during weekday rush periods, and about every 30 to 60 at most other times.

### ACCESSIBLE ROUTES

These are indicated with a  symbol next to the name in the First Bus/Last Bus chart. Lift is available to anyone who has trouble with high steps.

## BUS STOP LOCATIONS

Buses stop wherever you see one of these signs posted:

Also, all Pace buses (and CTA buses in Evanston ONLY) will stop upon request at any intersection where it is safe to do so. Just signal the driver.

## TAKING A RIDE

**When a bus approaches**, read the sign on the front. It first shows the route number and name, then “flips” to show the destination. If it’s the bus you want, flag it down.

**First:**

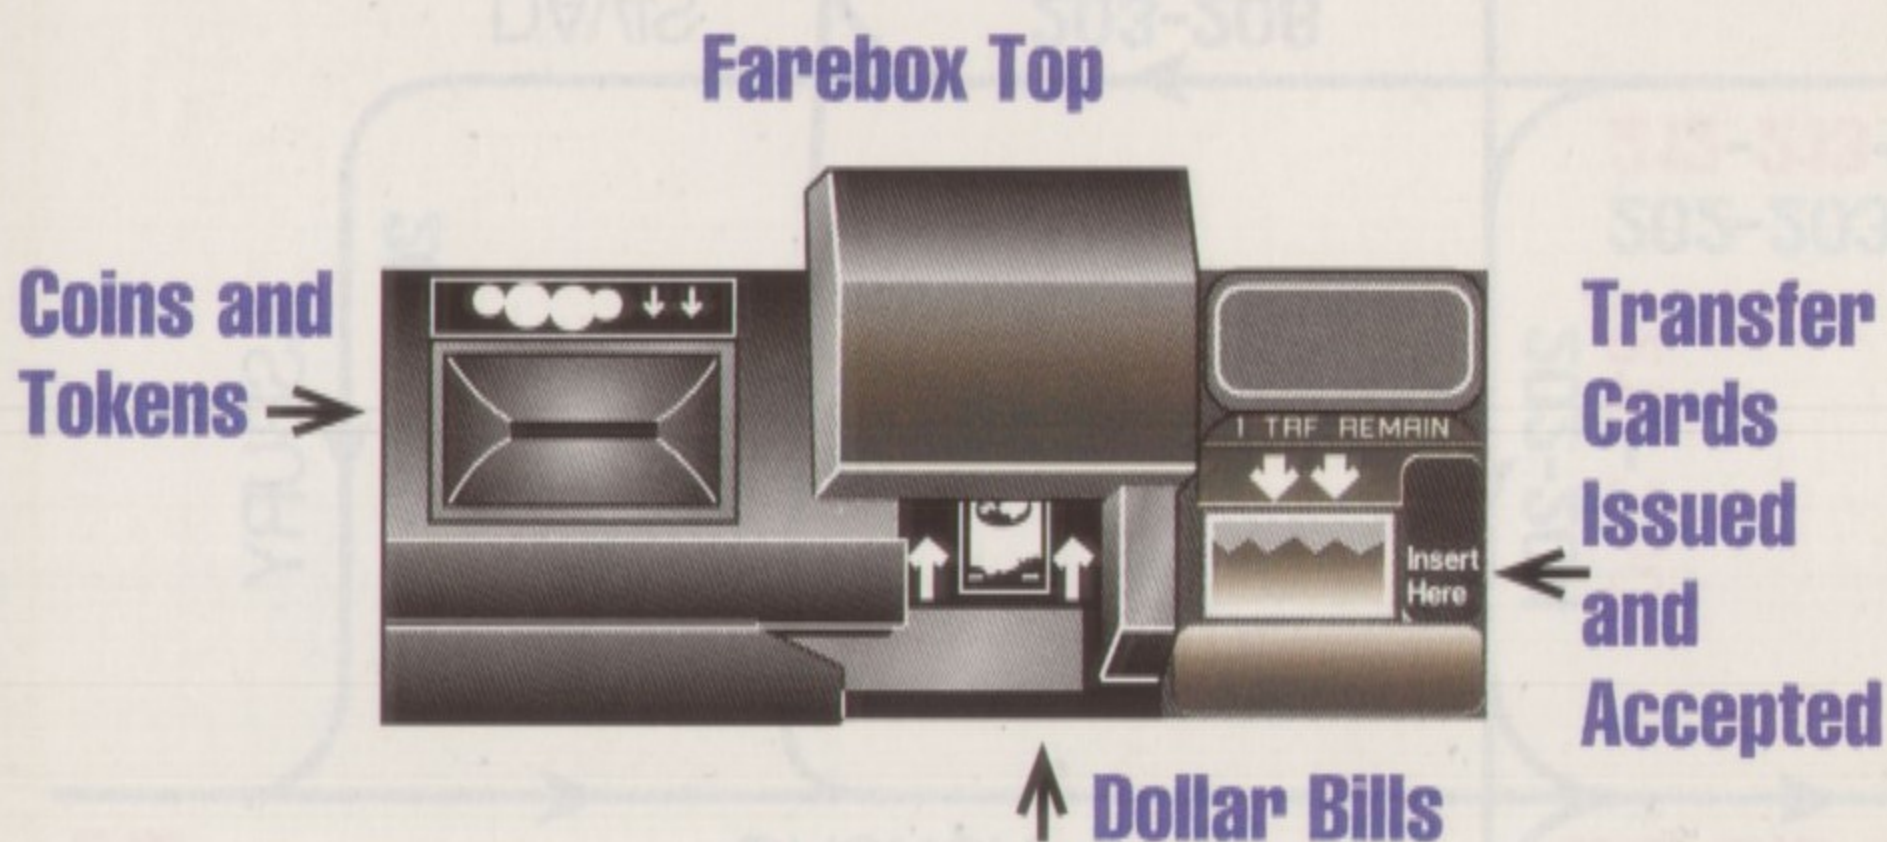

**201 CHICAGO AVE**

**Then:**

**HOWARD/RED LINE**

**Pay your exact fare** into the farebox. Dollar bills go into one slot, coins and tokens into another slot.

Seniors 65 and older, riders with disabilities, and students must show the appropriate RTA or CTA approved identification cards to get reduced fare rates.

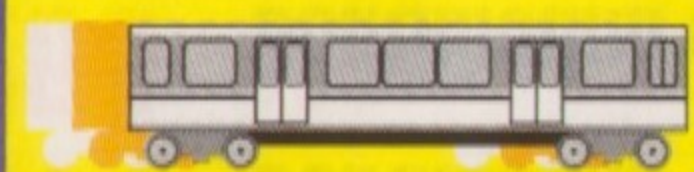

**Buy a “Transfer Card”** only if you need to ride a train or another bus route in the next two hours. Purchase this when you pay your fare.

If you already have a Transfer Card and want it back, dip it into the farecard machine.

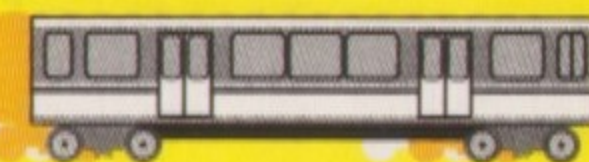

**Stops are called out upon request.** Pull the bell cord for your stop, and exit through the rear door.

# RIDING ELEVATED/SUBWAY TRAINS

## TAKING A RIDE

If no agent is on duty, pay on train (bills up to \$5 accepted).

No “tickets” are issued. Buy a **“Transfer Card”** only if you need to ride a bus in the next two hours. If you already have a Transfer Card, insert and remove it from any turnstile with a U-shaped bar above it.

**On the platform**, signs overhead and on the columns tell you which trains stop there, their directions, and destinations.

**When a train arrives**, look at the signs. They will be in the color of the route, but will only show the old route name (such as Howard-Dan Ryan) – not the direction or destination.
